

File a Formal Complaint - David Ward

[Booksgalore22](#) reported 8 days ago (Sun, 18 Jun at 7:15 PM) via Portal Meta

Jenny A Durkan, running for City of Seattle Mayor, has hundreds of entries on the same day for the same amount from the same people. It appears to be the difference between her "Raised Amount" and "Cash Contributions." It is probably simply counting many people twice, since even if only counted once the contribution would be for the maximum amount of \$500.

See attached Excel files for both the full list and the duplicates list.

The contributions for Maureen Lee are \$1000, two \$500 contributions on different days.
