Subject: Campaign finance violation complaint Re: Carolyn Edmunds

Lori,

I tried three times to submit using your form. Three times the system would not send out my filled-in form. Therefore, I am sending an email with the required information.

Email: pamroach@aol.com
Name: Pam Roach
Violation: campaign finance reporting
Respondent: Carolyn Edmunds

Description:

Caroline Edmonds has had yard signs since before June 9, 2016 when they were observed in her parked car at the Teamsters Hall in Tacoma. She has missed two reporting deadlines for this expenditure.

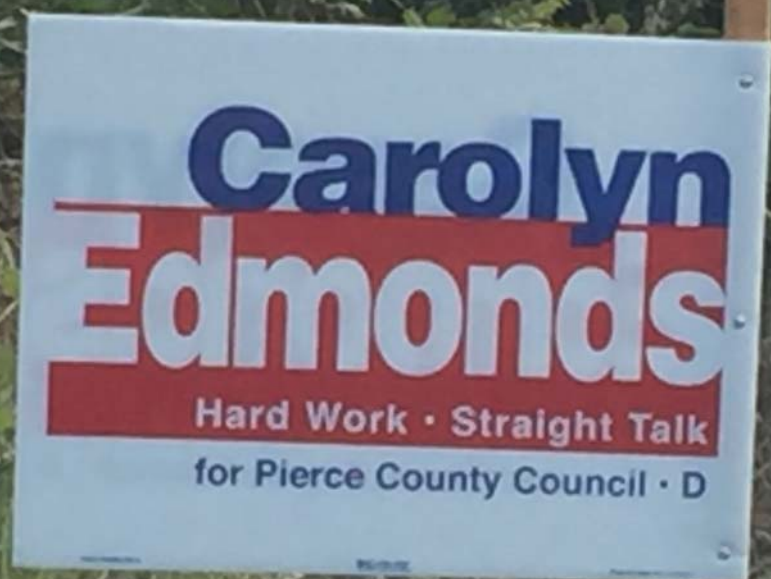

The materials for the signs would have been purchased before they were assembled and observed in her personal conveyance.

This brings into question all the balances she has been reporting which must be in error since she has not reported the expenditure. So, there are several violations. Balances cannot be correct. Edmonds is not a first time candidate. She knows the rules and has not complied.

Certification:

I certify under penalty of perjury Andrew the laws of the state of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief. Pam Roach

In the description below I have described the allegations and attached available evidence to support my complaint. Pam Roach
