We followed the rules as best as we knew, and if I recall correctly had written "Paid for by Elect Nick" "Paid for by Elect Ashkan" and "Paid for by Elect Naz" on the bottom of our individual candidate websites.

As soon as we were made aware of violations, I worked with my web designer to correct them in conjunction with recommendations from our PDC rep. In fact, we had to fix it multiple times to get it just right with feedback from the PDC officer.

Everything was done in good faith.

Is there anything else you need to know? I am unclear what the problem is at this point and am unsure what is being asked for and what there is to do.
