Thank you for the opportunity to respond to the portion of PDC complaint 37534 that relates to the Savio for Senate campaign.

Since the campaign filed in May, only 1 month of expenditures has been required. The campaign reported the May activity on the C4s received by the PDC on 5/25/2018 and 6/10/2018. (The 5/25/2018 report was filed along with the C1, which was required under previous state campaign finance law.)

The expenditures referred to in the complaint were made during the month of June, which will be included on our next report, due on 7/17/2018. The report that will be filed on that day will cover activity from 6/1/2018 – 7/16/2018.

Please let me know if there is any more information we can provide.

Best Regards,
Jason Michaud
