On the above date, Public Disclosure Commission (PDC) staff will conduct an initial hearing (case status review) concerning the June 21, 2018, complaint filed by Glen Morgan against \$15 Now Tacoma, a 2015 local ballot proposition committee that supported a City of Tacoma minimum wage ballot measure. The case status review is not an adjudicative proceeding.

The case status review is conducted in accordance with WAC 390-37-071, and is intended to provide you with information concerning the investigative process, including possible alternatives to resolve the matter. You are not required to participate in the hearing. Further, your failure to participate will not prejudice your rights concerning the investigative process, or any potential future adjudicative proceeding in the matter.

If you wish to participate by telephone, please contact Compliance Officer Erick Agina at [erick.agina@pdc.wa.gov](mailto:erick.agina@pdc.wa.gov). PDC staff has produced a PDC Investigative Procedures brochure, to assist Respondents by providing information about the investigative process, alternative resolutions to enforcement, and other procedural information. That document can be found at <https://www.pdc.wa.gov/print/book/export/html/58219> for your review. I have also attached a PDF version of the investigative brochure. Let me know if you have any questions.

Sincerely,

Barbara Sandahl  
Acting PDC Executive Director
