To Whom it May Concern –

It has come to my attention that Tamborine Borrelli (a failed candidate for state senate) has habitually and willfully committed frequent and multiple violations of **RCW 42.17A**.

### **1) Failure to file accurate, timely C3 and C4 reports. (Violation of RCW 42.17A.235)**

State law requires that candidates and committees file frequent, accurate reports of contributions, expenditures, in-kind contributions, and debt. Unfortunately, Tamborine Borrelli has failed on numerous occasions to do this. (See **Exhibits A - "Illegally late deposits and contributions"**).

Please note that these reports were reported over 8,533 cumulative days late. This isn't just a technical mistake or error. This was a systematic attempt to disguise the true source of campaign funding and how the campaign used expenditures until long after the campaign was over.

The PDC should investigate the possibility that Tamborine Borrelli committed the above violations maliciously, which would be a class C felony per **RCW 42.17A.750 (2)(c)**. If the PDC determines that is the case, they should refer the case to the Attorney General's office for criminal prosecution immediately.

Please note that I have provided the attached spreadsheets in two different file formats for staff convenience.

Please don't hesitate to contact me if you need any additional information.
