

File a Formal Complaint - Debra Oakes

[Debbie Oakes](#) reported (Tue, 19 Jun at 4:53 PM) via Portal Meta

Sign: Don Pape PUD Commissioner 42 Year's electrical utility experience

Don Pape sign falsely represents that he is an incumbent. It does not say vote for or elect, which implies or suggests that he is already a commissioner. Additionally, he uses "utility experience", again suggesting that he is an incumbent. Also, the sign does not reflect that he is running for district #2 in a primary.
