I have seen said signs in person. Attached is a photo of Mr Pape's signs.

What impact does the alleged violation(s) have on the public?

Mr Pape's signs do not say either elect or for. This leads the public to believe he is the incumbent. Mr Pape's signs do not indicate which PUD commissioner position that he is running for. It is District 2. Lastly, the listing of 4/ years experience is misleading to the public. I believe that it indicates prior experience as a pud commissioner.

List of attached evidence or contact information where evidence may be found.

There is a sign located just north of Penttila's Mortuary. Another sign is located on Highway 101 near Black Lake as you head towards Ilwaco
