

File a Formal Complaint - Nansen Malin

[Nansen Malin](#) reported (Mon, 18 Jun at 10:18 AM) via Portal [Meta](#)

Don Pape has failed to follow campaign advertising rules.

1. His sign seems to imply he is incumbent. Does not have 'elect' or 'for'.
2. Sign fails to mention the district he is running for. P.U.D. District #2
3. The statement '42 years experience' seems to imply he is incumbent without words like 'elect' or 'for' and also not stating the district he is running for.
