RON MUZZALL

FOR STATE SENATE

THE LEADER WE TRUST IN A CRISIS

WORKING ACROSS THE AISLE...

The COVID-19 crisis is unprecedented, and it will require cooperation from each and every one of us to end it. Ron Muzzall (R) has helped to pass emergency legislation to address the pandemic because this isn't a left-right issue. It affects all of us.

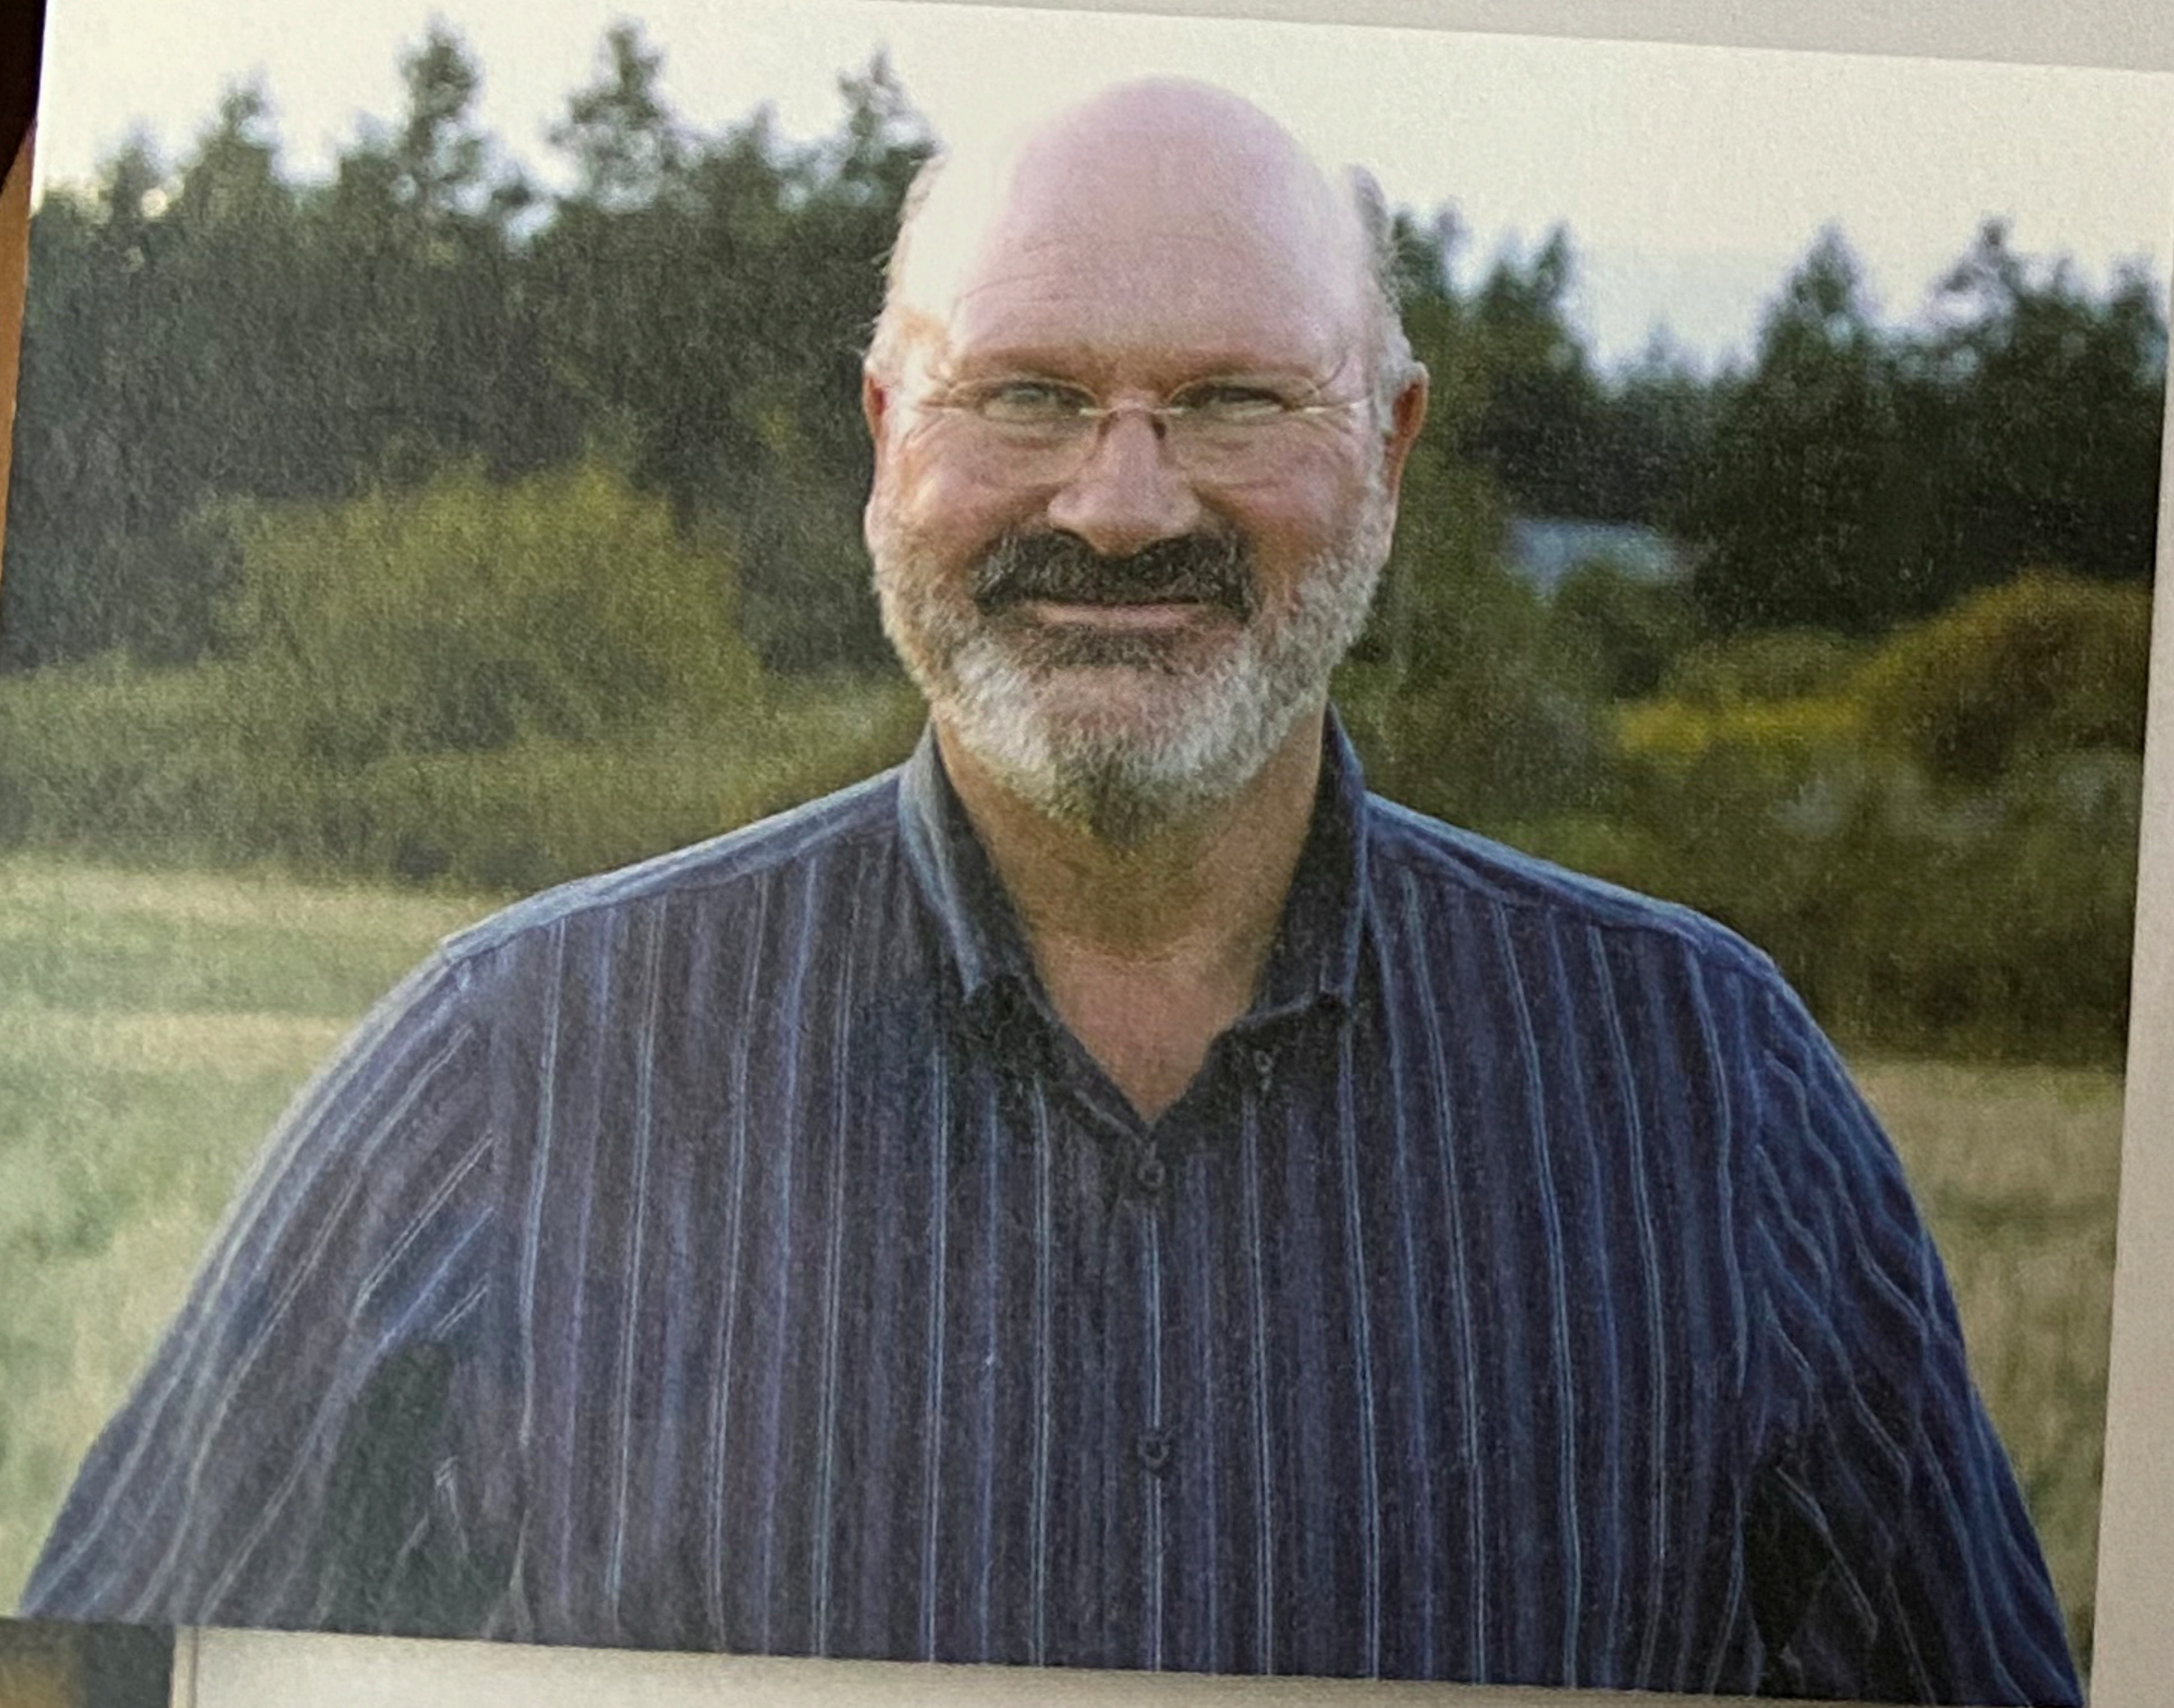

TO FIGHT THE PANDEMIC...

Ron has been fighting for legislation to reinforce our state's healthcare system, protect the vulnerable and get resources to those who need it most. Our healthcare workers are our heroes, and Ron is here for them.

...AND GET WASHINGTON BACK TO WORK

The sooner we can get an effective response to COVID-19, the sooner Washington can get back to work.

Ron is looking for solutions that will allow us to safely reopen our economy so we can move forward once again.
