<b>What impact does the alleged violation(s) have on the public?</b>
<p>Candidate Tarik Hassane for Sammamish City Council Position 1 has stated a domain name in his C1 report as a campaign domain used for his website and email, etc, but has not disclosed the expense in any public filing. The expense is now overdue to be included in any C4 report as a purchase or in kind, etc. This shows a strong mistrust to the public for his inability to file timely reports of simple campaign related expenses, how can he be trusted to serve his community?</p>
