Complaint #34560 Response

- #1. Except for the first report all reports were reported by the due dates.
- #2. All contributions were reported, there were no last minute contributions.
- #3. When I registered with the PDC and opened up my campaign I listed all committee officers.
- #4. I was the only one that made expenditures.
- #5. We have all the records.
- #6. My treasurer and I were the only ones that deposited monies.
- #7. I don't know what this is talking about, "sponsor".
- #8. The expenditures were reported along with all other expenditures.

Please post this response on my behalf. I tried and I don't understand how to post this to your website.
