Hi Tabitha

My response is one I have not done any advertising to date. It has been mainly signage. Two I have filed both Donations and expenses reports to date. Last I will forward an e-mail from Mr Doug Bettarel as to why he put Tony Sandoval on his reader board at no charge.

Thank you Tony Sandoval, Candidate for Yakima City Council District 4

Subject: reader board

My purpose for putting Tony Sandoval on my reader board and he didn't approach me on this. I put his name on the reader board because I think he is trying to make Yakima a better place and he is Trustworthy. Thank You Doug Bettarel
