Complaint Description
<p><a href="#">Glen Morgan</a> (Wed, 30 Jun 2021 at 6:00 PM)</p> <p>To whom it may concern,</p> <p>It has recently come to my attention that Katherine Festa has violated campaign disclosure laws per <b>RCW 42.17A</b>, during her 2019 and 2021 campaigns for Federal Way City Council. The violations are as follows:</p> <p>1. Theft or misappropriation of campaign funds for personal use (<b>Violation of RCW 42.17A.445, WAC 390-16-238, also, due to the nature of this very serious violation – please reference RCW 42.17A.750, and .755</b>)</p> <p>On Festa's last C4 for her failed 2019 campaign for the same office (see <b>PDC C4 #100921323 dated 07-30-2019</b>) she showed a closing balance of \$5,707.67, yet on her beginning C4 for her 2021 campaign (see <b>PDC C4 #110017469 dated 04-30-2021</b>) she shows zero (\$0) for "Previous total cash and in kind contributions". What happened to nearly \$6K from her prior campaign? Both C4s are attached for reference.</p> <p>Due to the size of missing or misappropriated campaign funds which apparently have illegally been used by the candidate, I have referenced both <b>RCW 42.17A.750</b> and <b>.755</b> for reference due to the potential criminal level of activity this violation may have become (over \$5,000 missing funds).</p> <p>This was the main issue that caught my eye while surfing the PDC website, so it caused me to look deeper into this campaign.</p> <p>2. <b>Possible misinformation provided on Festa's Financial Affairs Statement and possible misinformation willfully provided to the PDC (Violation of RCW 42.17A.700, .710, see RCW 42.17A.750(2)(c) )</b></p> <p>On her 2021 F1 Festa claimed the exemption for "judges, sheriffs and prosecutors" as a justification for not disclosing the address of her personal residence. According to this F1, she is a Housing Specialist. On information and belief Ms. Festa has never been a judge, sheriff, or prosecutor, therefore her personal address should not be withheld from the public, and any false claims provided to the PDC which implies she was a judge, sheriff or prosecutor would have been made maliciously and qualify for specific sanctions under <b>RCW 42.17A.750(2C)</b></p> <p>Please note, the closest aspect to Festa's career that has been referenced by the candidate in the public record that I can find related directly to law enforcement is this claim in a 2019 article with the Federal Way Mirror where she claims "I've spent three years participating in the Federal Way Chief of Police's advisory call." (see attached article). This may be true, but being on a phone call with the chief of police does not make someone an officer of the court, a judge, or a police officer.</p>

As further evidence of this, on her 2021 F1 (covering February 1, 2020 - January 31, 2021) Katherine Festa identified two (2) separate incomes, of \$60,000.00 to \$99,999.00 each, from King County at the same address--one at the basic building address, but the other from only the 8th floor of that same building. Both were listed as "Housing Specialist." It is unclear whether this is an error, or if she actually earned between \$120K and \$200K via two separate jobs at King County. This could be another mistake or misleading piece of information on the F1, but even if we assume this is accurate and true, then it also does not support the effort to claim a "judge, sheriff, or prosecutor" exemption on her F1 address.

The biggest concern here is the substantial missing funds from the 2019 campaign. This amounts to almost half the money Festa raised that year, and to see it vanish with no documentation is not typical and clearly illegal. The possible effort to mislead the PDC about claiming the "judges, sheriff, and prosecutor" exemption to conceal her home address on her F1 is also concerning.

Feel free to let me know if you need any additional information about this one.

Best Regards,

Glen Morgan

**What impact does the alleged violation(s) have on the public?**

The public should know if a political candidate absconded with half her campaign funds the last time she ran and if she misused these funds for illegal activity. This would be a good indication of how this candidate would manage government in a more kleptomaniac manner than normal for the average politician. The public has a right to know exactly what happened to these funds, and if this candidate is misleading the public on her financial affairs statements.

**List of attached evidence or contact information where evidence may be found**

All referenced docs should be attached. The two C4s, the C1, and the newspaper article referenced in the complaint.

**List of potential witnesses with contact information to reach them**

If she concealed these funds, it might be worth chatting with her campaign manager and treasurer, and if she concealed these funds with other people - those people should be interviewed as well. Hard to know how far down the rabbit hole this one goes. It will take some more due diligence to get to the bottom of this one, but I'm confident the PDC staff can handle it. Missing money can usually be recovered, particularly at this volume...

**Certification (Complainant)**

I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief.

# Katherine Festa: Federal Way City Council Position 7

Q&A with council candidate.

Katherine Festa

## Why are you running for office?

I want to see every resident of Federal Way thrive. I'm running because I want our homeowners, renters and visitors to see the best of this city that I have loved for 25 years — a city that is diverse, inclusive and right in the center of things. Meeting this goal means tackling the problems we face head on and actively preparing for the rapid growth our city is experiencing.

My background in government policy work as a housing and outreach coordinator with King County, prepares me to turn ideas into policy from day one. I am also

passionate about ensuring that the political process, especially the budgeting process, is open and accessible to all.

---

**Quality local journalism is more important than ever.**

**SUPPORT OUR WORK »**

---

You deserve to know where your money is being spent. I have 17 years of working with government budgets in my role with King County and served as chair, board member and treasurer of the King County Employee Giving Program for 10 years where I managed a program that reached over 14,000 King County employees and donated nearly \$2 million to over 900 nonprofits.

**What is the biggest challenge currently facing Federal Way and how will you address that issue issues as a council member?**

Transportation.

Federal Way is centered between major areas of commerce and connected to the region by both I-5 and Pacific Highway. Our residents and our employers require and deserve fast, reliable and fair transportation that keeps pace with the region's growth.

As a daily bus commuter and a former contract manager on the Metro Transit tunnel, I'm the ideal candidate to advocate for Federal Way residents to assure that Sound Transit stays on schedule and on budget.

Sound Transit's current plan to add an additional 400 parking spots to the Federal Way Transit Center is simply not enough. The new light rail trains need to be accessible to all members of our ever-growing community. I've written letters and gone to Sound Transit's informational meetings to advocate for these exact items.

**What steps should the city take to address homelessness?**

Homelessness is a regional problem and requires regional solutions. The city needs to utilize connections with other cities and aggressively pursue funding through the county and state for specific projects.

I have spent time understanding the many varied root causes of homelessness. I have regularly participated in the annual All Home Homeless Count, for which I received an honorary award from King County for my leadership and outreach efforts. And I have helped two different homeless women become drug free and get jobs. They both now live successfully in the community.

Federal Way should partner with local nonprofits to provide a supportive housing model to address families that need additional help getting back on their feet. I am also passionate about ensuring that no veteran is homeless and support housing models that specifically target vets. The supportive

model reduces hospital visits, fire and police calls. It is essential that we plan on a scale that our infrastructure can maintain; I support a 50 unit or less model.

As a housing expert with 17 years experience, I am the candidate who knows how to implement targeted housing solutions.

**What would you do as a council member to help the city attract new businesses?**

Our business community cannot thrive if our city is not safe. I've spent three years participating in the Federal Way Chief of Police's advisory call and I fully support adding additional officers to the force. A safe and peaceful community is one where businesses want to do business.

The city needs to be active in recruiting businesses to Federal Way by focusing and improving on the unique assets we have. We also need to make it easier for businesses to move here. One way to do this is to help business with the complicated process of applying for permits. If possible, we need to simplify the permitting process. As we recruit new businesses, we need to ensure that the businesses that are here can stay and succeed. We need to be working to ensure that those businesses that are being displaced by Sound Transit's light rail expansion are able to relocate within Federal Way.

I also support partnering with unions to provide apprenticeship and labor training opportunities here in Federal Way to ensure that employers can find skilled labor within the city and residents can access living wage jobs.
