

Complaint Description

[Dan Clark](#) (Tue, 7 Aug at 2:17 PM) via Portal

In my opinion, what happened was, the treasurer intentionally and through subterfuge, concealed the records of a PAC whose disclosure is required by law. This resulted in multiple citizen voters being denied their rights during an election cycle.

Copy of email chain attached

Video attached

What impact does the alleged violation(s) have on the public?

The treasurer of the PAC refused to allow me to view the books and accounts as required by law. I requested an appointment within the time that the law allows and the Treasurer responded by setting the time of his own choosing.

I arrived early, the treasurer arrived and remained in his truck. Then about 20 minutes later (which was still nearly 40 minutes before the time he chose for the appointment) he drove up in his truck, rolled down his window and handed a piece of paper to us (I was there with a couple of other concerned citizens that had arranged appointments with the Treasurer). He then proceeded to leave. I waited until 30 minutes after the appointed meeting and he never returned for it.

List of attached evidence or contact information where evidence may be found.

1) Copy of email chain where the PAC treasurer made the appointments. I am shown as Dan Clark in that thread, email dfredc@gmail.com

2) A video clip I took of the treasurer leaving the piece of paper and driving off.

List of potential witnesses with contact information to reach them.

Complaint Certification:

I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief.

Pursuant to:

RCW 42.17a.235(6)(a) (effective June 7, 2018): The treasurer or candidate shall maintain books of account accurately reflecting all contributions and expenditures on a current basis within five business days of receipt or expenditure. During the ten calendar days immediately preceding the date of the election the books of account shall be kept current within one business day. As specified in the committee's statement of organization filed under RCW 42.17A.205, the books of account must be open for public inspection by appointment at a place agreed upon by both the treasurer and the requestor, for inspections between 9:00 a.m. and 5:00 p.m. on any day from the tenth calendar day immediately before the election through the day immediately before the election, other than Saturday, Sunday, or a legal holiday. It is a violation of this chapter for a candidate or political committee to refuse to allow and keep an appointment for an inspection to be conducted during these authorized times and days. The appointment must be allowed at an authorized time and day for such inspections that is within forty-eight hours of the time and day that is requested for the inspection. The treasurer may provide digital access or copies of the books of account in lieu of scheduling an appointment at a designated place for inspection.

Among other deficiencies with your request, you made an open for an inspection outside the statutorily specified time allowed to inspect and therefore we are not required to open the PAC books.

Dear David Gellatly and Joel Mattila-

Under [RCW 42.17A.235](#), I am sending you notice that I want to make an appointment to view the books and other financial records you are required to maintain and make available as part of your legal responsibilities as the manager, members, and treasurer of the Political Action Committee, "Clark Leadership". There are no reports available for viewing on the PDC website for your PAC.

From the law cited above:

(4)(a) The treasurer for a candidate or a political committee shall maintain books of account accurately reflecting all contributions and expenditures on a current basis within five business days of receipt or expenditure. During the eight days immediately preceding the date of the election the books of account shall be kept current within one business day. As specified in the political committee's statement of organization filed under [RCW 42.17A.205](#), the books of account must be open for public inspection by appointment at the designated place for inspections between 8:00 a.m. and 8:00 p.m. on any day from the eighth day immediately before the election through the day immediately before the election, other than Saturday, Sunday, or a legal holiday. It is a violation of this chapter for a candidate or political committee to refuse to allow and keep an appointment for an inspection to be conducted during these authorized times and days. The appointment must be allowed at an authorized time and day for such inspections that is within twenty-four hours of the time and day that is requested for the inspection.

Additionally, according to the same law:

(6) The treasurer or candidate shall preserve books of account, bills, receipts, and all other financial records of the campaign or political committee for not less than five calendar years following the year during which the transaction occurred.

According to the paperwork you filed to form the PAC, you have designated the Clark County Republican Party as the address you will make the books available for inspection.

I would like for the appointment to be for either this Monday evening, August 6, or Tuesday evening, August 7.

My name is Richard Colwell. My telephone is 360-253-5843. However, since we are engaged in a silly lawsuit, I prefer that if you need to contact me regarding this appointment that you do so via reply to this email - I prefer all our communications be documented and protected from possible deletion.

According to the law cited above, it is a violation of this law to refuse to keep this appointment.

For those receiving this as a courtesy copy email, please consider coming to this meeting, or scheduling one of your own (read the applicable law above). It is important that you inform the PAC's managers of your name and telephone number in advance or else they may legally refuse to allow you to see the records.

Thank you for your cooperation in this matter.
Richard Colwell

Dear David and Joel-

Since you have been so honorably insistent on the black letter of the law being followed, I'm sure you will agree that we need to move the time of the meeting from 8 pm to one hour earlier at 7 pm.

The law requires books to be available for inspection between 8 am and 8 pm. I'm sure you can agree that having a meeting scheduled at 8 pm leaves us with no time available to actually inspect the books once we begin. As such I'm sure you'll agree, for accountability and transparency sake, to make the books available to us for inspection at 7 pm for the same date and location as previously agreed.

I'm sure that as the honorable and lawful man you insist on being perceived as, you can agree to this necessary change in order for all of us to be in compliance with the law - we would not want to have any reason to unnecessarily file a complaint with the PDC and a Citizen Action Notice with the attorney general over such a trivial matter as not being able to see the books because 8 pm falls outside of the window for inspection. We would not want to have any reason for you to be perceived as rigging the system to defraud citizens of their rights under the law to inspect the financial transactions of your PAC.

Please inform me and everyone else in this email, as soon as you receive it, that you understand and agree to move the time for our appointment to 7 pm.

Thank you for your magnanimity and honorable action in cooperating under the terms of the law in this matter.

Sincerely,
Richard Colwell

David and Joel,

I believe Richard has made a very reasonable request to have the time of the appointment amended to an earlier hour. After all, we don't want to fall out of line with the letter of the law. This will ensure that we have adequate time to review all the documents that the law allows and that there won't be any misunderstandings. I am sure you wouldn't want a cloud hanging over the circumstances surrounding this reasonable request.

We await your response.

Regards,
Dan Clark

Dear Mr. Blackhorn-

I write directly to you as a Compliance Coordinator for the Public Disclosure Commission.

My concern is in attempting to get an appointment to inspect the financial records of "Clark Leadership PAC".

My concern is the original time of 8 pm would give the personnel of that PAC an opportunity to meet at 8 pm, then as soon as the clock rolled over past 8 pm, be denied by them the opportunity to fully inspect their financial records because the viewing window of 8 AM to 8 PM had been exceeded. My concern is they may attempt to deny the inspection of their records (for which they have not submitted any reports to the PDC as required by law) on such a frivolous technicality.

This is my reason for attempting to re-set the appointment to 7 pm. The lack of response from David Gellatly and Joel Mattila is concerning to me as a citizen. I have reason to suspect they have financial transactions (donations and expenses) for which they have not submitted the proper reports as required.

In your position as the Compliance Coordinator, I would appreciate your advice not only to myself and the rest of the people attempting to view the financial records of this PAC (included in the CC list), but also to David Gellatly and Joel Mattila so that they remain fully in compliance with applicable law.

Thank you.

I will be there. I'll have my phone charged and ready to record. If one of you others (besides Richard, maybe since he's the main "player") could also have a recording device to record. It would be good to have a back up in case something goes wrong with mine and it would also give us evidence that one video wasn't tampered with... who knows what crap they'll try to pull.

Dan
