Response to PDC Case Number 96274 LaDon Linde

Dear PDC,

I am responding to the complaint identified by case number 96274.

Answer to complaint #1 failure to accurately describe expenses for the following checks written to Smith, Phillips, Dipietro and Gasseling for \$ 3,771.87, \$ 6,274.38 and 1,631.46. I have amended the explanations for these 3 checks written and provided detail of the expenditure and filed amended C-4's with the PDC. PDC tracking amended 11003912 and amended 110026798. I will continue to provide detail on my C-4 reports of every expenditure as required by Washington Campaign Finance Laws.

Answer to complaint #2 failure to file timely reports of contributions received. All contributions are accurately reported. The late filing is my mistake. I was reporting based on a monthly reporting requirement and not weekly. I am following the PDC calendar and will not be late in reporting in the future.

Please contact me if you need any additional information or if I need to make any corrections.

Sincerely,

*Debra Manjarrez*
