Hello Tabatha! I tried calling today but everybody seems busy.

I understand it, I was unable to complete the C1 as I was having trouble getting a bank account during the pandemic - I called the PDC and was told to put what bank I thought I would eventually be able to get. Being a new candidate to the office without a campaign manager, I was also new to the process. The expenses for campaign signs are in In-Kind Contributions, the website fee is as an expense under IT Support. Please let me know if I need to change that! Thank you much!
