We are not a PAC and we do not understand this complaint. We do not think we have done any wrong by informing voters. We have certainly done nothing intentional to violate any laws alleged by Mr. Clint Volk. We have simply informed voters of Mr. Clint Volk's malfeasance falsifying records provided to the State Auditor as ruled by the Mason County Superior Court. I'm sure Mr. Clint Volk does not want this information to be shared with voters, but filing a complaint against a one-time mailer and a web site (freedom of speech) is unwarranted.

Again, we do not believe we have done anything wrong - certainly not intentional. In fact we believe we are model citizens in our community by getting involved in an effort to stop an out of control local government agency.
