Hello, My name is Dennis Martinez and I am responding to this complaint. After speaking with Tabitha Townsend I was made aware of my honest mistake. Tabitha explained to me that even though my name and address were on the back of the dual mailer, with Tosh Sharp that was sent out October 20th, it was not on the front nor did it have who sponsored the mailer.

I was unaware of the requirement of the sponsor, or sponsors in this case, to be listed as "paid for by" on the front page. I am running a mini campaign (under \$5,000) . I welcomed the opportunity to get some information out at minimal cost. Both Tosh and I are paying half of the cost for this mailer and I am truly sorry for any problems I have caused. Please let me know what my next step is. You can reach me at (206)-423-3482 cell.

Respectfully Dennis Martinez

Kurt: Attached is a copy of my half of the invoice and receipt from Renton Printery for the dual mailer with Tosh Sharp. As you can see there were 2,900 total mailers sent at the cost of \$3238.04 and my cost for half was \$1,619.02 and I paid it as shown on the receipt attached. Tosh will be billed separately for his half.

Thank You Dennis Martinez
