Complaint Description
Rohreliz (Wed, 26 Oct 2022 at 2:38 PM) I feel Lewis County News, and the candidates that Lynnette Hoffman and Lewis County News who publishes the articles and the letters to the editor supporting candidates should have the value disclosed to the PDC both by Lewis County News and the Candidate's Committees.
What impact does the alleged violation(s) have on the public?
Articles and letters to the editor show a pattern of promoting selected candidates for public office, Mike Hadaller, Tracy Murphy, and Harry Bhagwandin, without disclosure of who paid for the articles and advertisements and through mass communication promotes people to vote only for these candidates. Opposing candidates and their events are not published. Public trust in journalism is violated because we don't know what political committees or sponsors are paying or asking for these articles and ads.
