Dear Mr. Agina:

I write in response to the email notification you have sent to Mr. Wineberry (see below). The complaint filed by Mr. Morgan on February 16, 2023, is completely and flatly baseless and incorrect on its face. The services rendered by my firm to the WADE campaign were NOT services rendered as "in-kind" contributions. Once payment is made, both the \$100 penalty and the legal fee for professional services will be promptly reported on the appropriate reporting form. Therefore, we ask that this complaint be dismissed.

Regards,
