Complaint Description
<p><u>Tracey De Garmo</u> reported via the portal (Thu, 1 Jun 2023 at 11:41 PM)</p> <p>It looks like the mayor and or clerk are using public money to fund a challenger to my seat, as well as any unauthorized use of the cities E-mail account. Also such partisanship, for a seat on a code city. I hold that seat and never have acted so unethically: public money, private campaign, no vote of the council, Mayor/ clerk? Who gave away public money for a private political run? Giving one person a government E-mail address for their campaign, and the sitting person can't even have one to stay in touch with the people you are representing currently. Wrong, not fair election, when as a member of the city, (I am endorsing my opponent by gifting him a E-mail reserved for the mayor and clerk). No, I do not. Stop stealing my tax dollars for one of my two challengers for my seat. I pay my own, I not steal.</p>
What impact does the alleged violation(s) have on the public?
Miss-use of public funds and employee time, for their personal campaign for council seat #5. Miss-use of tax dollars to fund an challenger. Allowing a non-employee, to use tax dollars for their campaign and access sensitive city information for political gain. Lack of transparency of funding to the voters.
