To whom it may concern and Erick and Jennifer,

First of all I would like to apologize for all of the miss information and waste of time Mr. Joe Gilmour had bestowed upon the lot of us.

A simple phone call or a direct message to me (Hayley Hoyt) directly from him would have clarified all of these issues in a matter of moments. But, alas, there are those individuals that thrive on being a pain in the side to our community and have too much time on their hands. His knee jerk reaction in this case is amusing.

First of all, Ladies of Liberty is a SOCIAL GROUP that ANYONE can be a part of. We are a NOT AFFILIATED with any political group. And we started this group in April of 2023. That's 2 months ago... not 2 years ago as Mr. Gilmour states. Our Facebook group changed its name to Ladies of Liberty from a prior Facebook group in April. Our first social event was in April at Twigs Restaurant.

Side bar: Everything you read on Facebook ARE NOT FACTS

Mr. Gilmour pretends that the Ladies of Liberty had 2 different fundraisers. I would like his proof of this other allegation. Because that is not true. And I'm not sure what he is allotting to. There were NO VENDORS at Twigs. And I have every right to do a door prize. No money was exchanged.

We HOSTED an event at CG Public House (aka Country Gentleman restaurant) in Kennewick for Semi Bird on May 10<sup>th</sup>

#### 1. THE COST OF THE EVENT WAS ZERO DOLLARS

It is stated several times in our advertisements to order food **off of the restaurant menu. We did not rent the room or provide food or drink.** We simply had a room requirement to meet a \$500 dinner tally and in doing so CG Public House waives the room rental fee. Guest paid for their OWN FOOD AND DRINK.

\*\* CG Public House does not allow outside food or drink into their restaurant. So this allegation is not only false, its ridiculous.

#### 2. No. **The Bird campaign DID NOT give Ladies of Liberty or The High Heel Housewife any money or compensation to host this event.** Therefore there was nothing to discount.

There were however donation envelopes on the tables, so if guest wanted to donate to his campaign, they simply filled out the proper envelope, and donated. These were all given to his

campaign manager to properly record and document. INDIVIDUAL donations reached \$3,000. Again, each donation was in a donation envelope provided by the Semi Bird campaign.

So again, Ladies of Liberty is a social club, NOT a political group. And my business, The High Heel Housewife has nothing to do with the Ladies of Liberty.

The time it took Mr. Gilmour to stalk my personal face book page, by business page AND the Ladies of Liberty Facebook page is embarrassing.

And you would think with all that time he would even know the correct name of my business. And, also, The Semi Bird campaign KNOWS there are individuals out there on the hunt for anything they can call attention to and complain about. This is a well known fact. Semi Bird campaign team was very careful and thorough to be in compliance of all rules and guidelines. They are very aware of the Mr. Gilmour's of the world.
