<b>Complaint Description</b>
<p>Glen Morgan</p> <p>Fri, 11 Aug 2023 at 1:00 PM</p> <p>To whom it may concern,</p> <p>After looking a bit closer at the Whatcom County Democrats PAC, it has come to my attention that there are additional violations of Washington State's Campaign Finance laws (RCW 42.17A) worth noting for the record. Please note, these are in addition to the recent violations I detailed in a previous complaint against this same shady political corporate Mega fund. The details are as follows:</p> <p>1) Failure to timely report contributions or expenditures (Violation of RCW 42.17A.235, RCW 42.17A.240)</p> <p>I realized after I filed my recent complaint for obvious and significant violations of Washington State's campaign finance laws against the Whatcom County Democrats, that I should look closer at this shady group since they have frequently broken the law in the past. Sure enough, I found plenty of additional violations worth drawing PDC staff investigators attention. The details provided in this complaint should be provided to the currently assigned PDC staff investigator for the Whatcom County Democrats and combined with the ongoing investigation efforts to get to the bottom of exactly what the heck is going on with this gang. Every time I glance at their actions, it just keeps getting worse.</p> <p>This violation, I believe is far more serious than the one I have already outlined for this group, other than the obvious RCW 42.17A.220 violations that appear to be obvious.</p> <p>I reviewed the history of late reports for this PAC, which requires a fairly extensive comparison between when the reports are due and when they were actually filed. A distressing pattern of behavior is uncovered by doing this simple research. Clearly it might be more transparent for this PAC to start filing their reports in a timely manner even a few times a year. In a distressingly, all too often repeated pattern, this committee files reports late (332 reports, to be exact). Many of these reports have been filed weeks or months late, and many of them (I have highlighted these in red for PDC Staff to easily review) concealed significant financial transactions over \$1000, and often over \$10,000 in totals for these egregiously late illegal reports. In an effort to help PDC staff properly categorize the lateness of these reports, and the sloppiness of this organization's operation, my attached spreadsheets provide</p>

a color-coded reference category for helpful sorting. Please keep in mind, so far, this is the worst violator I have uncovered for this type of violation in the state this month:

Red (Extremely late – harming the public’s right to know) 255 extremely late reports – up to 420 days late (over a year!). There really is no excuse for these extremely late reports to have concealed so much critical information from the public for so long. The sheer volume of these violations indicates no serious effort to comply with the law and in fact a concerted effort to mock the very concept of campaign finance reporting from the beginning.

Orange (Concerningly late – delaying the public’s right to know) 31 concerningly late reports – up to 12 days late. Again, clearly not legal and not following the law

Yellow (Sloppily late – delayed reporting) 46 sloppily late reports – up to 3 days late. These could just be mistakes, sloppy bookkeeping, and written off as typical fumbling around by the treasurer, however, I’m including them in this report so that PDC staff can put this general widespread pattern of lawbreaking in proper context. If this shady group had only committed this type of violation, despite the strict liability requirements of RCW 42.17A, I probably wouldn’t file this complaint, but clearly this is just further evidence of no effort to really pay attention or comply with the law.

Again, I’ve provided both an Excel file and PDF version of the same file for ease of staff and the lawbreaker’s reference as they re-educate themselves with Washington State’s campaign finance laws and are reminded that these laws apply to them as well. They are not exempt from them as much as they might want to pretend these laws don’t matter.

Some notes on documenting these violation:

Again, as I strive to provide the best data possible both for efficiency of staff and the lawbreakers I have identified, every report can be direct linked to the URL in the far right hand column. The date the report was due is provided and the actual date it was finally sent to the PDC and the total number of days late for those reports is included for ease of PDC staff research effort, and to quantify the significance of these violations both individually and cumulatively with the obvious problems caused by not informing the public about the truth of their activities in a timely manner.

I apologize for not providing this detail of violations documented for this PAC in the original complaint I filed on this shady, lawbreaking crew, and this failure to be thorough and more comprehensive in my complaints will serve as a reminder to me for my future complaints to be more diligent and comprehensive when filing these types of complaints in the near future. I confess to a bit of laziness in this specific case because I mistakenly presumed that this PAC was making some attempt to follow the law, and I originally didn’t cross reference all the C4s and C3s actual submission dates with their due dates. I’ll try to be more careful in future complaints to provide these details.

Whatcom County Democrats – a Sad history of lawbreaking continues

Unfortunately, as I have found in the past so many times, when a sketchy and shady group of political operatives feel they can break the law so flagrantly without concern, they rarely get to this point without developing a track record of violations and lawbreaking. The Whatcom County Democrats are no exception to this rule. Last year, I caught this same crew attempting to keep illegal overlimit contributions (See PDC Enforcement Case #102127, PDC warning letter attached for reference), the PDC was forced to issue an official sanction and formal warning notice for their lawbreaking at the time. Sadly, this group just ignored that and decided that breaking the law was more important than following the law, which brings us to where we are today.

Please let me know if you need more information on this PAC, although I feel that this and the previous complaint, I filed on August 4th last week is adequate to properly initiate and certainly justify an expansion of the investigation into this particular crew of lawbreakers.

PDC staff may find that subpoenas issued to the banks, text message histories, and emails of the primary characters involved in this lawbreaking might uncover even more extensive problems than what we already know. Usually, this is just the tip of the iceberg in these types of cases.

Best Regards,

Glen Morgan

#### **What impact does the alleged violation(s) have on the public?**

The public has a right to know just what shady political activities this group is up to, and this PAC has no right to conceal the truth from the public - often for years about their financial expenditures or fundraising. When combined with my last complaint filed last week exposing illegal, overlimit anonymous contributions, a clearer picture emerges of an organization addicted to lawbreaking and willing to do anything to keep much of their activities secret - even if they have to break the law frequently to do so. This is wrong, and the voters of Whatcom County deserve better.

#### **List of attached evidence or contact information where evidence may be found**

Spreadsheets provided both in Excel and PDF file formats for easier reference and understanding both by staff and the Whatcom County Democrats. Someone there is probably capable of following the law, if they are given the opportunity.

#### **List of potential witnesses with contact information to reach them**

Every possible person involved in this PAC over the past four years or so. It also wouldn't hurt to reference the bank account monthly statements and review those for comparison with the C4s. I doubt they will line up either if the reports are this far off every month.

#### **Certification (Complainant)**

I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief.

<b>Complaint Description</b>
<p><a href="#">Glen Morgan</a> (Wed, 29 Dec 2021 at 2:47 PM)</p> <p>To whom it may concern,</p> <p>It has come to my attention that the Whatcom County Democratic Central Committee has once again violated Washington State's campaign finance laws (<b>RCW 42.17A</b>). The violations are as follows:</p> <p><b>1) Acceptance of illegal overlimit corporate contributions multiple years in a row (Violation of RCW 42.17A.405(7), WAC 390-05-400)</b></p> <p>It appears that the Whatcom County Democratic Central Committee have committed multiple significant violations of accepting illegal overlimit corporate contributions multiple years in a row. I feel a bit sloppy in filing this complaint so late as I should have noticed the first significant violation a year ago, but better late than never. Lawbreaking should be exposed when it is discovered, and there is no better time than right now.</p> <p>First, for background, Washington State's campaign finance laws clearly set limits on corporate contributions to non-exempt County Party accounts. See <b>RCW 42.17A.405(7)</b> and the corresponding <b>WAC 390-05-400</b> which establish this limitation of \$5500. In addition the PDC provides a handy cheat-sheet for simple reference which also defines this limit (see attached). The Whatcom County Democrats are a well-financed Democratic Party PAC which is very familiar with the law, yet chose to violate the law regardless.</p> <p>The first obvious violation of this contribution limit was a \$25,000 contribution by the Lummi Indian Business Council on September 19, 2020 (<b>See attached PDC Report #100999599</b>). This was an illegal contribution under <b>RCW 42.17A.405(7)</b> and <b>WAC 390-05-400</b> by \$19,500 and these illegal funds should be refunded to the corporation that sent them.</p> <p>The second obvious violation of this contribution limit was a \$10,000 contribution, also from the Lummi Indian Business Council on October 21, 2021 (<b>See attached PDC Report #110057097</b>). This, again was an illegal contribution in violation of <b>RCW 42.17A.405(7)</b> and <b>WAC 390-05-400</b> by \$4,500 and these illegal funds should also be refunded to the corporation that originally sent them to this county political party PAC illegally.</p> <p>Please note that the Whatcom County Democratic Party claims to have an "Exempt" account, sponsored by the Lummi Tribe, but the clear reporting shows these funds being used in the Non-Exempt Whatcom County Democratic Party account. Please note, as the PDC has clearly instructed other political Party organizations in the past, it is not legal for the political party to pretend they have an "Exempt" account, but then co-mingle the funds from both the Non-Exempt and Exempt accounts. A separate bank account is required, and the PDC investigators should request bank statements from the Whatcom County Democrats to verify this illegal co-mingling of funds that has so clearly occurred in this case.</p> <p><b>History of Breaking the Law</b></p> <p>Please note that the Whatcom County Democratic Party has a history of violating Washington State's campaign finance laws, so these recent violations documented above are simply a continuation of this</p>

same law-breaking behavior. Please note that the Public Disclosure Commission has already issued a formal warning to the Whatcom County Democrats on May 16, 2019 (**PDC Enforcement Case #26305**). I have attached a copy of that PDC warning letter for reference. It appears that PDC warning letters are not taken seriously by this well-funded corporately sponsored political organization, and more serious penalties are in order in this instance.

Please feel free to contact me if you need any further evidence of wrongdoing by the Whatcom County Democratic Central Committee PAC, and I'll try to be more timely in my future complaints exposing these inevitable future violations.

Best Regards,

Glen Morgan

#### **What impact does the alleged violation(s) have on the public?**

The public has a right to know if a large, mega corporation is purchasing illegal control and influence over a local political party. The public has a right to know when a political party - like the Whatcom County Democrats - are violating the law and flaunting their illegal violations in the belief they are untouchable and don't need to follow the law. The public has a right to know when a political PAC like the Whatcom County Democrats have a long track record of legal violations, yet continue to violate the law regardless.

#### **List of attached evidence or contact information where evidence may be found**

Both C3s are attached. The PDC warning letter from 2019 for previous lawbreaking by this corporately-sponsored PAC is attached. The PDC reference document which was ignored by this PAC is also attached. The only way the PDC could see the bank statements (without spoilation or modification) would be if they obtain these through a court order (which is allowed in statute)

#### **List of potential witnesses**

All officers of this organization should be interviewed, including the treasurer and a possibly previous corporate officers who decided breaking the law was a good idea.

#### **Certification (Complainant)**

I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief.

- **Per cycle** means aggregate during the period from January 1 after the date of the previous general election for the office through December 31 after the upcoming general election for the office.
- **Per election** means per each primary, general, or special election for that office.
- **Per calendar year** means aggregate during the period from January 1 through December 31 each year.
- Contributions designated for the exempt account of a bona fide political party are NOT subject to limit, except **during the 21 days before the general election** when the \$5,000 maximum applies. See next column.
- **During the 21 days before the general election**, no contributor may donate over \$50,000 in the aggregate to a candidate for statewide office, or over \$5,000 in the aggregate to a candidate for any other office or to a political committee. This

includes contributions to a party committee, as well as a candidate's personal contributions to his/her own campaign. It does not apply to contributions from the state committee of the WA State Democratic, Republican or Libertarian Party or from a minor party.

The state law prohibiting campaigns from receiving contributions of more than \$5,000 within 21 days of a general election no longer applies to ballot measure committees, pursuant to the federal court ruling in *Family PAC v. McKenna et al.*, 9<sup>th</sup> Circuit Court of Appeals No. 10-35832 (Dec. 29, 2011). The statute is RCW 42.17A.420 (former RCW 42.17.105(8)).

\*limits applied only to port districts with more than 200,000 registered voters prior to July 28, 2019

## Contribution Limits to Candidates Subject to Limits

A candidate subject to limits is prohibited from accepting aggregate contributions exceeding the following amounts:

*limits applied only to port districts with more than 200,000 registered voters prior to July 28, 2019		
**only in hospital districts with populations greater than 150,999		

1 This is a per election limit; each primary, general and special election is considered a separate election. This limit does not apply to the candidate using personal funds to give to his or her own campaign. The limit does apply to the candidate's spouse.

**To be eligible to receive primary election contributions**, a candidate's name must be on the ballot or the candidate has to have filed a write-in declaration for the primary election. A candidate who will **not have a primary election** must refund any contributions received in excess of the general election limit. Refunds must be made within 2 weeks of the election administrator's determination that there will be no primary.

**Primary election contributions must be made on or before the date of the primary unless a candidate lost the primary and has debt to retire.** Contributors may continue to make contributions to a candidate who loses the primary election and has insufficient funds to pay debts outstanding until the debt is retired or 30 days after the primary, whichever comes first.

**General election contributions must be made no later than December 31 of the election year.**

During the 21 days before the general election, no candidate for legislative office or local office may contribute to his or her own campaign more than \$5,000 in the aggregate, and no candidate for state executive office or Supreme Court justice may contribute to his or her own campaign more than \$50,000 in the aggregate.

- 2 The limit amount of \$1 times the number of registered voters in the jurisdiction (as of the last general election) is for the entire election cycle. The election cycle is from January 1 after the last election for the office or the start of the candidate's campaign -- whichever is later -- through December 31 of the election year in which election is sought. Contributions must be made no later than December 31 of the election year.
- 3 During the election cycle (defined in #2 above), all county central committees and legislative district committees in the state share a combined limit to each candidate of \$.50 times the number of registered voters statewide as of the last general election. (However, during the 21 days before the general election, neither a county central committee nor a legislative district committee may give a state executive office candidate more than \$50,000 in the aggregate.) Contributions must be made on or before December 31 of the election year.
- 4 A county central and legislative district committee may only contribute to a candidate if voters residing in the city, county or legislative district are entitled to elect the candidate to the office sought. During the election cycle (defined in #2 above), a legislative district committee, in conjunction with all county central committees in that district, share a combined per candidate limit of \$.50 times the number of registered voters in the legislative district as of the last general election. (However, during the 21 days before the general, neither a county central committee nor a legislative district committee may give a city, county or legislative candidate more than \$5,000 in the aggregate.) Contributions must be made on or before December 31 of the election year.
- 5 The limit amount is for the entire election cycle. The election cycle is from January 1 after the last election for the office or the start of the candidate's campaign -- whichever is later -- through December 31 of the year in which election is sought. (However, during the 21 days before the general, a caucus political committee may not give a state executive candidate more than \$50,000 in the aggregate or a city, county or legislative candidate more than \$5,000 in the aggregate.) Contributions must be made on or before December 31 of the election year.

Subject: Complaints filed by Glen Morgan, PDC Case 26305

Enclosed is a copy of an electronic letter sent to Glen Morgan concerning a complaint filed with the Public Disclosure Commission (PDC) alleging that the Whatcom County Democratic Central Committee (Committee). As noted in the letter to Mr. Morgan, the PDC will not be conducting a more formal investigation into these allegations or taking further enforcement action in this matter.

However, pursuant to WAC 390-37-060(1)(b), the Whatcom County District Democratic Central Committee and its current Officers are receiving this formal written warning concerning the Committee's failure to comply with filing requirements to provide: (1) a detailed breakdown for expenditures, including the sub-vendor breakdown for reimbursements to individuals or payments made to consultants or vendors; and (2) a detailed description of the expenditure, including the number of mail pieces or yard signs printed, or station by station listing and run dates for political advertisements, during calendar years 2015, 2016, and 2017.

This formal written warning includes staff's expectation that the Whatcom County District Democratic Central Committee will timely file all future required reports of contributions and expenditures based on the accrual method, not on a cash basis. Staff also expects that the Committee will provide the expenditure details and descriptions as noted in the letter to Mr. Morgan, in addition to the timely disclosure of reportable debts and obligations, as required, in the future. The Commission will consider the formal written warning in deciding on further Commission action if there are future violations of PDC laws or rules.

Based on these facts, the PDC has dismissed the allegations listed in the complaint in accordance with RCW 42.17A.755(1). If you have questions, you may contact Alice Fiman at 1-360-586-4746 or toll-free at 1-877-601-2828, or by e-mail [pdcc@pdcc.wa.gov](mailto:pdcc@pdcc.wa.gov).

Sent Electronically to Glen Morgan at "glen@wethegoverned.com"

Subject: Whatcom County Democratic Central Committee, PDC Case 26305

Dear Glen Morgan:

The Public Disclosure Commission (PDC) has completed its review of the complaint you filed September 30, 2017 against the Whatcom County Democratic Central Committee.

Your complaint alleged that the Whatcom County Democratic Central Committee (Committee) may have violated: (1) RCW 42.17A.235 and .240 for failure to accurately and timely file Monetary Contributions reports (C-3 reports) and Summary Full Campaign Contribution and Expenditure reports (C-4 reports) and (2) RCW 42.17A.240 for failure to properly report expenditures and debts on C-4 reports, including the failure to provide proper expenditure descriptions.

PDC staff reviewed your allegations; the applicable statutes, rules, and reporting requirements; the C-3 and C-4 reports filed by the Committee; and the response of Laura Ewan, legal counsel, for the Committee, submitted to the PDC and the Washington State Attorney General's Office (AGO), to determine whether the record supports a finding of one or more violations.

Based on staff's review, we found the following:

- The Whatcom County Democratic Central Committee (Committee) is a Bona Fide Political Party Committee located in Bellingham, Whatcom County, and has been registered and reporting with the PDC dating back to the 1990's.
- On January 9, 2019, the Committee filed a Committee Registration (C-1pc report) selecting the Full Reporting option and listing Andrew Reding as campaign manager and Sarah Goodin as treasurer.
- The complaint alleged the Committee failed to timely file 26 C-3 and C-4 reports during 2015, 2016 and 2017, and you attached a spreadsheet of those reports, along with alleging that numerous expenditures made by the Committee failed to provide the sub-vendor breakdown or failed to report a debt or obligation for the expenditure.

- Staff's review found that for election years 2015, 2016 and 2017, the Committee filed a total of 900 C-3 and C-4 reports, that included a number of amended reports as follows:
  1. For calendar year 2015, the Committee timely filed its initial C-4 reports for the whole year, which included the 21-Day and 7-Day Pre-Primary and Pre-General Election C-4 reports, and the Post-Primary and Post-General Election C-4 reports, disclosing \$97,085 in contributions received, and \$87,273 in expenditures made. In addition, the Committee timely filed C-3 reports during calendar year 2015, and the majority of the C-3 reports were filed weekly throughout the year other than the reports noted below.
  2. For calendar year 2016, the Committee timely filed its C-4 reports for the whole year, which included the 21-Day and 7-Day Pre-Primary and Pre-General Election C-4 reports, and the Post-Primary and Post-General Election C-4 reports, disclosing \$102,642 in contributions received, and \$94,408 in expenditures made. In addition, the Committee timely filed C-3 reports during calendar year 2016, and the majority of the C-3 reports were filed weekly throughout the year other than the reports noted below.
  3. For calendar year 2017, the Committee timely filed its C-4 reports for the whole year, which included the 21-Day and 7-Day Pre-Primary and Pre-General Election C-4 reports, and the Post-Primary and Post-General Election C-4 reports, disclosing \$153,659 in contributions received, and \$127,667 in expenditures made. In addition, the Committee timely filed C-3 reports during calendar year 2017, and the majority of the C-3 reports were filed weekly throughout the year other than the reports noted below.
- PDC's review found nine of the alleged 26 late filed C-3 or C-4 reports were filed by the Committee as amended C-4 reports, in which the initial C-4 report was timely filed, and the corrections were of minor errors that did not materially impact the public interest.
- The remaining alleged late filed C-3 reports included: (1) six C-3 reports disclosing only bank interest accrued for the period of between \$.09 and \$.33; (2) three C-3 reports that disclosed only one contribution on each report totaling \$10, \$50 and \$100 respectively, which were filed between three to seven days late; (3) one C-3 report totaling \$324 in contribution received from 10 contributors; and (4) five additional C-3 reports filed two to three days late.
- Staff noted that there were a number of expenditures made to individuals as reimbursements as listed in the complaint, for which a more detailed description or explanation of the goods and services provided was required, and in some instances a sub-vendor breakdown was needed as well, especially for the reimbursements made to Ms. Gwen Groden. Staff also noted there appeared to have been expenditures made that likely should have been disclosed on an earlier C-4 report as an outstanding debt or obligation.
- In her response on behalf of Committee, Ms. Ewan stated "Exhibit B alleges violations regarding the failure to report amounts paid for various charges as 'debt' on the C-4 and then presumably a filing of the satisfaction of the 'debt' on the subsequent C-4. For an organization that keeps its books on a cash basis as does the Whatcom County Democrats, such a characterization makes no sense. At its base, this is a dispute with the accounting methods used by the Whatcom County Democrats and, we believe, the overwhelming majority of groups that use a cash basis accounting method, against Mr. Morgan's preference for unnecessary use of time and pixels needed to satisfy his view of proper accounting under the regulations of the PDC."

- Ms. Ewan stated “After receiving the complaint, the Whatcom County Democrats sought guidance on sub-vendor reporting from the PDC...Comparison of the guidance from Mr. [sic] Blackhorn with our reporting of sub-vendor payments is necessary to determine if any violations have occurred. We believe such an examination will show no violation or, at most, a minor violation rather than the string of ‘habitual and willful’ violations alleged by Mr. Morgan. This review is properly within the purview of the administrative duties of the PDC. We note in passing that at least alleged violations 1-20 fall within permissible reporting as we understand Mr. [sic] Blackhorn’s advice.”
- The Committee has one prior PDC violation for PDC Case 06-302 for failing to timely file C-3 and C-4 reports in calendar years 2004 and 2005, in which a stipulated agreement was entered into at a Commission hearing.

As noted above, there were expenditures made by the Committee either as reimbursements to individuals that were Committee officers or volunteers, or payments made to consultants, vendors, or other third parties, for which it appears a more detailed description or explanation of the goods and services provided was required. Those issues are mitigated to a degree by the facts the Committee timely filed the overwhelming majority of the required C-3 and C-4 reports for calendar years 2015, 2016, and 2017, disclosing more than \$353,386 in contributions received and \$309,348 in expenditures made during this timeframe, and no violations have been found since 2006.

However, pursuant to WAC 390-37-060(1)(b), the Whatcom County District Democratic Central Committee will receive a formal written warning concerning the Committee’s failure to comply with filing requirements to provide: (1) a detailed breakdown of expenditures, including the sub-vendor breakdown for reimbursements to individuals or payments made to consultants or vendors; and (2) a detailed description of the expenditure, including the number of mail pieces or yard signs printed, or station by station listing and run dates for political advertisements.

The formal written warning will include staff’s expectation the Whatcom County District Democratic Central Committee timely file all future required reports of contributions and expenditures, including the expenditure details and descriptions listed above, and the timely disclosure of debts and obligations as required in the future. The Commission will consider the formal written warning in deciding on further Commission action if there are future violations of PDC laws or rules.

Based on this information, the PDC finds that no further action is warranted and has dismissed this matter in accordance with RCW 42.17A.755(1). Subject: Complaint regarding Whatcom County Democratic Central Committee - Exempt, PDC Case 102127

Dear Mr. Morgan:

The Public Disclosure Commission (PDC) has completed its review of the complaint you filed on December 29, 2021. The complaint alleged that Whatcom County Democratic Central Committee, a county bona fide political party committee, may have violated RCW 42.17A.405 for accepting an over-limit contribution in excess of \$5,500 from one source during calendar year 2021.

PDC staff reviewed the allegations; the applicable statutes, rules, and reporting requirements; the response provided by Treasurer Cheyanna Strickland on behalf of the Respondent, and the applicable PDC reports filed by the Respondent. Staff also queried the Respondent's data in the PDC contribution and expenditure database.

Based on staff's review, we found the following:

- Whatcom County Democratic Central Committee (WCDCC) was a county bona fide political party committee registered under the "Full Reporting" option during calendar year 2021.
- The complaint alleged that WCDCC received a monetary contribution from Lummi Indian Business Council on October 18, 2021, that was in excess of the \$5,500 allowed to be accepted into the WCDCC – Non-Exempt account.
- RCW 42.17A.405 describes contribution limits on both the person making and receiving a contribution and prohibits over-limit contributions.
- In addition to a campaign account utilized for direct candidate support, bona fide political party organizations are allowed to create a separate account that can be used for "exempt" activities which typically include rent, utilities, party building and get-out-the-vote efforts.
- In her response, Treasurer Strickland stated that \$10,000 contribution received on October 18, 2021, from Lummi Indian Business Council was deposited into the WCDCC - Exempt account.
- That deposit was timely reported, but the committee incorrectly reported the . On October 23, 2021, WCDCC – Non-Exempt timely submitted a C-3 report disclosing a \$10,000 monetary contribution received on October 18, 2021 and deposited on October 21, 2021.
- During staff's investigation, it was determined that WCDCC did in fact have two separate accounts, one for Non-Exempt activities and a second for Exempt, however, the Exempt

account was not setup correctly inside of ORCA (Online Reporting of Campaign Activity) for reporting purposes.

- Ms. Strickland worked with PDC Filer Assistance staff to create a separate Exempt account in ORCA and submitted Monetary Contribution reports (C-3 reports) and Summary Full Campaign Contribution and Expenditure reports (C-4 reports), disclosing contributions and expenditures undertaken by the WCDCC – Exempt account in calendar year 2021.
- On March 8, 2022, WCDCC - Exempt submitted a correct C-3 report disclosing a \$10,000 monetary contribution received on October 18, 2021, and deposited on October 21, 2021.
- On March 24, 2022, WCDCC – Exempt submitted twelve total monthly C-4 reports disclosing expenditures permissible to be made from Exempt funds.
- Of the total \$9,992.38 spent during calendar year 2021, \$5,442 was paid to Hall Properties for rent, and \$3,780.08 was paid to Gwen Groden for wages and employee benefits. The remaining \$770.30 was paid to Copy Source for envelopes and palm cards.
- Although these expenditures were originally timely submitted, they were misreported using the Non-Exempt account.
- On March 27, 2022, WCDCC – Non-Exempt submitted amended campaign reports to remove the Exempt activity.

It appears that the late reporting of WCDCC Exempt activity was due to a general misunderstanding of the reporting requirements and a lack of knowledge about the use of ORCA. Staff found no evidence that the Respondent made these errors intentionally to mislead the public.

Based on our findings staff has determined that, in this instance, failure to accurately file the Exempt activity in a separate account does not amount to a finding of a violation that warrants further investigation.

Pursuant to WAC 390-37-060(1)(d), however, Whatcom County Democratic Central Committee - Exempt will receive a formal written warning concerning failure to accurately disclose contribution and expenditure activity in the Exempt funds account. The formal written warning will include staff's expectation that WCDCC accurately files all future required reports of contributions and expenditures. The Commission will consider the formal written warning in deciding on further Commission action if there are future violations of PDC laws or rules.

Based on this information, the PDC finds that no further action is warranted and has dismissed this matter in accordance with RCW 42.17A.755(1).
