Re: Alleged Violation of RCW 42.17A.235, .240:

To Whom It May Concern:

This letter responds to the complaint from Mr. Glen Morgan that the Commission received on July 31st, 2023. Mr. Morgan alleges that the committee has violated reporting requirements. Below I address the alleged violation identified in Mr. Morgan's complaint.

Missing Employer and Occupations

Mr. Morgan identified eight donors whose employer and occupation information was requested and not received. These donations totaled \$1,775 out of a \$5.5 million campaign. The campaign used its best efforts to collect this information from donors.

Failure to report in-kind contributions

The committee reported all debts and inkind. There have been no changes.

Debts Details

At the time of the filing, the state's filing software was character limited. All debts were reported, however this limitation truncated the purpose descriptions.

Thank you for the opportunity to address Mr. Morgan's complaint. Please let us know if there is any further information we can provide.

Sincerely,

Jay Petterson

Ministerial Treasurer
