Goof morning, for the matter of the Thurston County democratic Women PAC violations claims.

1. Inkind donations- the in-kinds were purchased by Susan Herring of \$28.52 for Champagne, but I didn't realize I needed to put where she got it and where would that information go just in the memo line?
2. Same reimbursement of a purchase for wine. Of 60.99 where do I enter the details of where it was purchased? And then the same for Meren's reimbursement of food for the same event. So I can put food from Costco 1470 Marvin RD NE, Lacey WA for March 25th event. And for the 60.99

They all purchased it themselves and gave us the inkind of that item. Further Guidance on how to correct these three would be appreciated.

3. For the late filings for the Thurston County Democratic Women PAC. It was to the treasurer's knowledge when took over the position that it was all due by the 10th of the month (which is different that regular campaigns) it was not done intentionally. Because of this complaint the former treasurer is aware that the PAC files the same way even if they are not a campaign. This treasurer (myself) has resigned in July of 2023. The new treasurer has been filing the reports timely and it should no longer be an issue.
