Complaint Description
Glen Morgan Fri, 4 Aug 2023 at 1:32 AM To whom it may concern, It has recently come to my attention that the SEIU 775 Quality Health Care PAC corporation violated campaign disclosure laws per RCW 42.17A, during the recent 2023 primary campaign for the city of Burien City Council races. The violations are as follows: 1) Failure to provide legally required details on Independent Expenditure Forms (Violation of RCW 42.17A.260(3)(C), WAC 390-16-037, 42.17A.240, 42.17A.305) It appears that this mega secretive dark money corporate PAC has expended over \$30,000 to influence the outcome of the 2023 primary election results in the City of Burien for one city council seat alone. Unfortunately, they have chosen to also conceal the critical legally required details about these expenditures from the public by failing to provide details on their C-6 reports influencing this race as clearly required by RCW 42.17A.260. This well-funded PAC, which has the resources to hire professional compliance, legal, and treasurer support and which is very familiar with Washington State’s campaign finance laws for many years of political activity still chose to knowingly break the law. This is all the more shocking considering the fact this professional, corporately funded PAC was found guilty by the PDC staff for previous violations of Washington’s Campaign Finance Laws and they were forced to pay a penalty, with a balance on this penalty suspended if they would only decide to stop breaking the law (See attached – PDC Enforcement Case #107108) The date of all these expenditures, which concealed critical information from the public, clearly fell within the critical 21 day window of the August election as referenced in RCW 42.17A.260(1)(a). I will also note for the record, this PAC colluded to break the law with known campaign finance lawbreaker Moxie Media (See AG Stipulated Judgement from 2011 with a \$250,000 fine attached for reference) Specifically, I will list the wide range of violations committed by this secretive dark money corporat PAC below:

This appears to have been a willful violation committed in an effort to conceal this critical information from the public over the final few weeks of the campaign so that the public would not be aware of the details involved in this dark money funding flowing into this small city by outside sources. This is a knowing, willful violation of the campaign finance laws by experienced insiders who know better and appear willing to mock the process, the PDC, the law, and the public with their deceptive efforts.

The next logical question when investigating this mega-corporate PAC, of course, is logical. What else are they concealing?

Please note, this PAC has violated Washington State's election laws in the past, as I detailed above. I'm sure they will continue to break the law in the future.

I believe I have provided enough detail and evidence for the PDC staff to pursue this complaint effectively. However, please let me know if you need further information on this issue.

Best Regards,

Glen Morgan

What impact does the alleged violation(s) have on the public?

The public has a right to know all the details that mega-corporate dark money secretive PACs like this one try to conceal from them when attempting to buy local municipal elections. Organizations like this have unlimited cash to spend on compliance, so when they break the law, it isn't accidental, it is just what they do to mock the public and the PDC

The L-3 report was due to be filed by February 28, 2022.

The hearing was held in accordance with Chapters 34.05 RCW and 42.17A RCW and Chapter 390-37 WAC. Commission Vice Chair Nancy Isserlis was the Presiding Officer. 4. The Respondent has no prior violations.
