<b>Complaint Description</b>
<p><a href="#">Glen Morgan</a> reported via the portal (Sat, 19 Aug 2023 at 5:25 PM)</p> <p>To whom it may concern,</p> <p>It has come to my attention, as it has in the past, that the Kitsap County Democrats, as they are inclined to do, have violated Washington State's campaign finance laws (<b>RCW 42.17A</b>). Once again, the specific violations are detailed below:</p> <p><b>1) Attempting to conceal the truth about political activity from the public by waiting weeks, months, or more to report what they did or who funded them (Violation RCW 42.17A.235, RCW 42.17A.240)</b></p> <p>I realize this allegation doesn't surprise anyone who has paid any attention to this shady and prolific law breaking crew over the past few years. This crew was caught breaking this exact law last time (<b>PDC Enforcement Case #43205 and was formally sanctioned with a Warning Letter at the time – See attached Warning Letter and original complaint I filed against this crew in late 2019</b>) Of course This group apparently enjoys breaking the law, so I thought I would revisit their activities once again, as I have been doing over the past week, and help the PDC address this troubled group and their wayward ways. Those who enjoy breaking the law like these guys never stop, so those of us who are inclined to pay attention can't really stop either.</p> <p>First, let's just review the late reporting, which is essentially an effort by this secretive, repetitively lawbreaking PAC to conceal the truth from the public for as long as they believe they can. Even a casual review of this crew's history shows they do this all the time.</p> <p>As usual, when I'm revisiting the frequent lawbreaker club, and the Kitsap County Democrats are in the first tier of frequent violator lawbreakers, I try to provide the specific examples of lawbreaking in a very easy-to-read and simpler to understand spreadsheet format. This is both for PDC staff convenience, but it also helps the lawbreakers use the list as a reference sheet so that they can go back and try to explain, justify, or excuse their repetitive lawbreaking activities. I've attached this both as an Excel file and a PDF so that everyone involved can get the optimal value from the effort. Please note that the original report referenced in the spreadsheet can be linked by clicking on the far-right column. I believe this makes it easier for everyone.</p> <p>Please also note, for the record, I have only listed the late reports which have been filed since the last time the PDC sent them a Warning Letter and sanctioned them for their previous lawbreaking. It appears that the Warning Letter they received from the PDC served more as an incentive to keep breaking the law rather than any type of cautionary restraint on their lawbreaking. That free pass has led to the violations detailed below.</p> <p>A quick note again on how this report is organized. I've <b>organized it by latest report first</b>. You'll note that the latest report filed by this group was 329 days late – which is pretty late.</p> <p><b>I've color coded the most extreme late reports, of which there are 33.</b> I've color coded the problematically late orange, and there are only 11 of those 15-5 days late. Illegal, but not as egregious as most of their reports. I've color coded the sloppily late reports yellow, and there are only 6 of those. So, it</p>

appears that when they want to break the law, they just go for months and conceal everything. The attached spreadsheet and PDF file of this information should be adequate to verify this allegation.

## **2. Failure to list the vendor and the address of the vendor for in-kind contributions, therefore concealing from the public the true source of these contributions (Violation of RCW 42.17A.240, RCW 42.17A.235)**

When an individual or entity makes a donation of goods or services to a political committee so that the committee may attempt to sell these goods or services to others in exchange for money, this is an in-kind contribution.

I want to draw attention to the PDC's own website recommendations for how PACs and campaigns need to report this information.

See original link here:

<https://www.pdc.wa.gov/registration-reporting/candidates-committees/contributions/kind-contributions>

Specifically, I want to draw attention to the PDC's specific requirements of reporting:

*"In-kind donations that are not incidental **must** be fully reported in Part 1 of Schedule B to the C-4 **with the following details:** the date the contribution was received; the name and full address of the contributor; **if the in-kind contribution is a good or service purchased from a vendor, include the name and address of the vendor;** a brief description of the contribution; its fair market value; the cumulative total this contributor has given for the primary or general election, whichever applies; a designation whether this contribution is for the primary or general election; and if the contributor is an individual who has cumulatively given more than \$250 to the campaign, including both primary and general contributions, identify the individual's employer (by name, city and state) and occupation."*

This committee has failed to do this for both auction items and regular in-kind contributions.

For both staff and the lawbreaker's reference, **I will detail just a few of the many deficient examples provided**, so that the obvious lawbreaking can be more efficiently spotted and hopefully corrected in the future to prevent the need to file complaints like this one:

- **Violation Example #1,#2** - Multiple In-Kind Contributions were made – one for "Kitsap Democrats Holographic Stickers" for \$31.67 and another for "food, water, cutlery, etc. for annual picnic" for \$170 (**PDC Report # 110098630, attached for staff reference**), the address for the vendor where generous in-kind contributors Johanna Baxter and Melissa Lund purchased the goods is not provided, despite the crystal-clear legal requirement to do so. Another odd thing is the perfectly rounded numbers for the second "in-kind contribution" here would indicate a lack of receipts and accuracy. This is a real problem for this PAC.
- **Violation Example #3, #4, #5** - On **PDC Report # 110109494, attached for staff reference**, this group claims they received multiple in-kind contributions valued at \$38.17, \$82, and \$14.83 from various generous in-kind donors. Again, the true source of these in-kind contributions is not provided – the vendor and address as the PDC so clearly lays out as I quote above. These guys just need to go back and follow the law – correct all these reports so that the public can know the truth.
- **Violation Example #6** – On **PDC Report # 110067371, attached for staff reference**, this PAC claims they received \$600 of in-kind contributions from generous donor named "Melissa Lund" again for "food, beverages, decorations for holiday" but, nothing on this report provides the true

source of the items donated – including name of the vendor, and address. A clear series of violations documented here.

- **Violation Examples #7-#42** – On **PDC Report # 100986933, attached for staff reference**, this PAC has almost 3 pages of in-kind contributions for auction items none of which have the true source of the items donated, including name and address of the vendor. This is explicitly what the PDC has defined as illegal, and this PAC just decided to break the law.
- **Violation Examples #43, #44** – On PDC Report # 100951783, attached for staff reference, this PAC has a few more examples of in-kind contributions for \$775, and \$78.47 again without true source of the items including name and address of the vendor. There are so many examples like this.

There are numerous other examples of this failure to follow the law with most of the in-kind contributions this PAC has reported, but fortunately, this PAC can easily go back and correct these reports to get back to at least a pretense of compliance. This should be an easy fix to this aspect of their lawbreaking, and they should promise, once again, to stop breaking the law moving forward.

### **3) Failure to accurately describe expense, and the illegal concealment of required information from the public. (Violation of RCW 42.17A.240, RCW 42.17A.235 & WAC 390-16-037)**

Once I realized this PAC would so egregiously violate the law with such carelessness, after the PDC warned them the last time, I kept looking closer. It turns out this PAC has failed to follow Washington State's Campaign Finance laws as they apply to the reporting of expenditures frequently (of course). Here **are a few specific examples of failing to follow the law. These are clear and explicit violation of WAC 390-16-037, Example B:**

- On **PDC Report # 110123861, attached for staff reference**, this PAC claims to have **spent \$5,453.79 on a mailer** with Capital Press, but of course, they failed to report how many mailers, which is an explicit **violation of WAC 390-16-037, Example B.**
- On **PDC Report #110157341, attached for staff reference**, this PAC **claims to have spent \$500 on a nebulous and undefined "Pride Fee."** No details provided. Was this a virtue signal payment for being **proud to be a Democrat?** What is this? More details are needed for the public to know just what the heck this secretive PAC is spending their campaign cash on.
- On **PDC Report #101011585, attached for staff reference**, this Pac claims to have **spent \$8,723.96 on more mailers** with Capital Press, but once again, of course, they failed to report how many mailers, which is an **explicit violation of WAC 390-16-037, Example B.**
- On **PDC Report # 100995122, attached for staff reference**, this PAC claims to **have spent \$992.29 for Biden-Harris campaign signs (really)**, but again, they failed to report how many signs, which is an **explicit violation of WAC 390-16-037, Example B.**

#### **On the Bright Side:**

I think when a Political Committee does something right, this is worth calling out as well, and I will point out at least one expense was reported correctly in the C4 reports filed by this committee. That is the following:

- On **PDC Report #100986926** this committee **accurately reported a \$300 fine they paid to the Washington State Treasurer as part of a settlement with the PDC for their lawbreaking in 2016**, based on a complaint I had filed against them in 2017. Specifically, what is good about the way they reported this is the fact that they reported accurately who they actually paid the fine to – the Washington State Treasurer (frequently I see PACs and politicians report this as the "PDC" which

is inaccurate). Kudos to them. Also, they included the Enforcement Case in the details and the years of violations for which this fine was responsible. Excellent job. I encourage this particular expense be used as an example for others on how to report it correctly when they pay these fines. (For **staff reference, I've included this settlement, SOU, and original complaint for PDC Enforcement Case #25578**)

### **The Kitsap County Democrats – Breaking the law every year, rinse wash and repeat**

The Kitsap County Democrats are not the most egregious violator of Washington State's campaign finance laws. They are easily beat by the Pierce County Democrats, the Spokane County Democrats, the Kittitas County Democrats, the Thurston County Democrats, and the Grays Harbor County Democrats, but their extensive history of law breaking is still worth reviewing.

First, **I filed my first PDC complaint against this group in 2017** (attached for staff reference), which became **PDC Enforcement Case #25578**. This resulted in a **\$300 fine imposed by the PDC on this group** for their lawbreaking. I thought they would change their ways. They did not.

Next, I filed **my second PDC complaint against this group in 2019 (attached for staff reference)**, which then became **PDC Enforcement Case #43205**, which resulted in a formal warning letter from the PDC (also attached for reference).

Now we are once again back to the future, forced to expose all the lawbreaking this PAC has committed just since the last PDC resolution of their lawbreaking. **The Warning Letter didn't work, and the previous \$300 fine was obviously not large enough. What will it take for this crew to get back on the straight and narrow and do the right thing?** I'm not sure, and perhaps it is impossible for them to force themselves to follow the law. But, I am eternally an optimistic guy and I'll help the PDC do their very necessary job of holding these guys accountable by continuing to document their violations.

Let me know if you need any more details on this group. I'm sure I've just scratched the surface, once again.

Best Regards,

Glen Morgan

### **What impact does the alleged violation(s) have on the public?**

The public has a right to know what serial lawbreakers like this crew actually do with their campaign cash when they get it. Do they ever follow the law? What else are they hiding? Are they even capable of pretending to follow the law? This is the third time I've caught them egregiously breaking the law, which has resulted in fines and sanctions in the past. Is there anything that can convince this group to follow the law?

### **List of attached evidence or contact information where evidence may be found**

Everything provided as exhibits or clearly referenced in spreadsheets and case numbers

### **List of potential witnesses**

Every officer you can find even remotely associated with this group. No reason to not file subpoenas on the bank account and see if it even comes close to matching the reports.

### **Certification (Complainant)**

I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief.

[Glenmorgan89](#) reported (Tue, 19 Sep at 11:39 PM) via Portal [Meta](#)

To Whom it May Concern --

It has come to my attention that the Kitsap County Democratic Central Committee has habitually and willfully committed frequent and multiple violations of RCW 42.17A.

This notice and the attached spreadsheet detail numerous apparent violations of various provisions of Washington's campaign finance law by the Kitsap County Democratic Central Committee. The Kitsap County Democratic Central Committee has apparently violated **RCW 42.17A** as follows:

### **1) Failure to file accurate, timely C3 and C4 reports. (Violation of RCW 42.17A.235)**

State law requires that candidates and committees file frequent, accurate reports of contributions, expenditures, in-kind contributions, and debt. Unfortunately, the Kitsap County Democratic Central Committee has failed on numerous occasions to do this. (See **Exhibits A - "Illegally Late filed C3 and C4 reports"**).

**Cumulative total for reports past statutory deadline is 1,929 days late.**

### **2) Failure to accurately, timely report debt. (Violation of RCW 42.17A.240 (8), see WAC 390-05-295)**

State law requires that the name and address of any person and the amount owed for any debt, obligation, note, unpaid loan, or other liability in

the amount of more than two hundred fifty dollars or in the amount of more than fifty dollars that has been outstanding for over thirty days be reported on form C4. Per **WAC 390-05-295**, this includes any oral or written order placed, debt or obligation to purchase goods or services or anything of value, or any offer to purchase advertising space, broadcast time or other advertising related product or service.

The Kitsap County Democratic Central Committee illegally failed to report the following debts: (See **Exhibit B - "Illegal failure to timely report debts"**).

**Cumulative total for reports that did not properly report debt is 7,299 days late and counting.**

### **3) Failure to properly break down expenditures. (Violation of RCW 42.17A.235, see WAC 390-16-205)**

State law requires that expenditures made on behalf of a candidate or political committee by any person, agency, firm, organization, etc. employed or retained for the purpose of organizing, directing, managing or assisting the candidate's or committee's efforts shall be deemed expenditures by the candidate or committee and reported as such. In accordance with **WAC 390-16-037**, such expenditures shall be reported by the candidate or committee as if made or incurred by the candidate or committee directly.

The Kitsap County Democratic Central Committee illegally failed to break down the following expenses. (See **Exhibit C - "Illegal failure to break down expenditures"**)

**Cumulative total for reports that did not properly break down expenditures is 4,259 days late and counting.**

The PDC should investigate the possibility that the Kitsap County Democratic Central Committee committed the above violations maliciously, which would be a class C felony per **RCW 42.17A.750 (2)(c)**. If the PDC determines that is the case, they should refer the case to the Attorney General's office for criminal prosecution immediately. Please don't hesitate to contact me if you need any additional information.

Best Regards,

Glen Morgan

## Complaint Description

### File a Formal Complaint - Glen Morgan

Glen Morgan (Mon, 29 Oct 2018 at 9:35 PM)

To Whom it May Concern --

It has come to my attention that the Kitsap County Democratic Central Committee (hereafter collectively referred to as "respondent") has habitually and willfully committed frequent and multiple violations of **RCW 42.17A**. Additionally, I have reason to believe that other violations of this chapter have occurred beyond what I have identified below.

Please note, these violations are continuing to occur despite the fact this organization is still in the assessment of fact phase of a PDC investigation based on a previous complaint filed over a year ago (**PDC Complaint # 25578**). This political organization has had ample opportunity to comply with the law and try to comply. Despite this opportunity, they appear to have decided instead to ignore the timely reporting requirements of the campaign finance laws.

#### **1) Failure to file accurate, timely C3 and C4 reports, failure to timely deposit contributions. (Violation of RCW 42.17A.235, .220)**

State law requires that candidates and committees file frequent, accurate, reports of contributions, expenditures, in-kind contributions, debt, pledges, and loans (C3s and C4s). The reports must be compliant with both state law and PDC regulations (**WAC 390**). State law also requires that contributions must be deposited within 5 business days of receipt. Unfortunately, the respondent has failed on numerous occasions to do this, including, but not limited to the late reports detailed in the attached exhibit. Additionally, the respondent has failed to report debt and properly break down/detail expenditures.

(Please See **Exhibit A: "Illegally late reported C3 & C4 reports"**)

Please note, this secretive PAC's extremely late filings are a total of at least 541 days late. This denied the public or the media any access to the truth about the funding or spending for this large political organization.

The PDC should investigate the possibility that the respondent committed the above violations maliciously, which would be a class C felony per **RCW 42.17A.750 (2)(c)**. If the PDC determines that is the case, they should refer the case to the Attorney General's office for criminal prosecution immediately.

Please don't hesitate to contact me if you need any additional information.

Please note the attached exhibit is provided in two different file formats for staff convenience.

Best Regards,

Glen Morgan

**What impact does the alleged violation(s) have on the public?**

Late reporting of contributions and expenditures conceals from the public critical information about how this political organization spends its funds and who funds the organization during elections. Beyond this, this organization is still being investigated by the PDC from a previous series of violations that indicate this organization continues to flaunt the campaign finance laws despite the fact they are currently in the middle of being investigated.

Subject: Complaint regarding Kitsap County Democratic Central Committee, PDC Case 43005,43205

Dear Glen Morgan:

The Public Disclosure Commission (PDC) has completed its initial review of the complaint you filed on November 21, 2018. Your complaint alleged that the Kitsap County Democratic Central Committee may have violated RCW 42.17A.220 for failure to timely deposit contributions and .235 for failure to timely report contributions and expenditures.

PDC staff reviewed your allegations, and as a result of staff's initial review, we found the following:

- In 2017, the Kitsap County Democratic Central Committee late deposited a total of \$1,736 in contributions, or 7.68% of total contributions in that year, beyond the five business days of receipt requirement provided by RCW 42.17A.220.
- In 2017, the Kitsap County Democrats late reported \$5,178 in contributions, or 23% of total contributions, on C-3 reports filed as much as 86 days after the statutory deadline set by RCW 42.17A.235.
- That same year, they also late reported \$178, or 1% of total contributions, and \$953, or 6% of total expenditures, on C-4 reports filed as much as 15 days late.
- In 2018, the Kitsap County Democrats late reported \$2,039, or 6% of total contributions, on C-3 reports filed as much as 21 days after the statutory deadline set by RCW 42.17A.235.
- That same year, they also late reported \$17,758, or 48% of total contributions, and \$6,679, or 19% of total expenditures, on C-4 reports filed as much as 6 days late.
- The Kitsap County Democrats independently filed their late reports prior to complaint initiation, have acknowledged and taken responsibility for the non-compliance, and have no prior found violations of PDC laws or rules.

Based on these initial findings, staff has determined that in this instance, failure to timely deposit contributions and to timely report contribution and expenditure activity do not amount to actual material violations warranting further investigation.

Pursuant to WAC 390-37-060(1)(b), Kitsap County Democratic Central Committee will receive a formal written warning concerning their failure to timely deposit contributions within five business days of receipt, and failure to timely report contribution and expenditure activity. The formal written warning will include staff's expectation that Kitsap County Democratic Central Committee institutes procedures to ensure funds are timely deposited and reports are filed according to their statutory deadlines. The Commission will consider the formal written warning in deciding on further Commission action if there are future violations of PDC laws or rules.

Based on this information, the PDC has dismissed this matter in accordance with RCW 42.17A.755(1), and will not be conducting a more formal investigation into your complaint or pursuing further enforcement action in this case.

If you have questions, you may contact Fox Blackhorn at 1-360-753-1980 toll-free at 1-877-601-2828, or by e-mail at [pdcc@pdcc.wa.gov](mailto:pdcc@pdcc.wa.gov).

Subject: Complaint filed by Glen Morgan, PDC Case 25578

Dear Kitsap County Democratic Central Committee:

Enclosed is a copy of an electronic letter sent to Glen Morgan concerning a complaint filed with the Public Disclosure Commission (PDC) alleging the Kitsap County Democratic Central Committee violated RCW 42.17A.235 and .240 for failure to timely and accurately report contributions, expenditures, and debt, failure to provide proper expenditure descriptions.

As noted in the letter to Mr. Morgan, the PDC will not be conducting a more formal investigation into these allegations or take further enforcement action in this matter since the Kitsap County Democrat Central Committee completed a Statement of Understanding (SOU) and paid a \$300 civil penalty acknowledging violations of RCW 42.17A.235 by failing to timely file Summary Full Campaign Contribution and Expenditure reports (C-4 reports) disclosing expenditures undertaken by the Committee in election year 2016.

PDC staff is also hereby reminding you about the importance of complying with the filing requirements noted in the enclosed letter sent to Mr. Morgan. Staff expects you to file timely and complete reports in future years in accordance with PDC laws and rules.

Based on this information, the PDC has dismissed this matter in accordance with RCW 42.17A.755(1).

Sent electronically to Glen Morgan at "glen@wethegoverned.com"

Subject: Kitsap County Democratic Central Committee, PDC Case 25578

Dear Glen Morgan:

The Public Disclosure Commission (PDC) has completed its review of the complaint you filed September 19, 2017 against the Kitsap County Democratic Central Committee (Committee), a Bona Fide Political Party Committee located in Silverdale, Kitsap County.

The complaint alleged the Committee may have violated: (1) RCW 42.17A.235 and .240 for failure to accurately and timely file Monetary Contributions reports (C-3 reports) and Summary Full Campaign Contribution and Expenditure reports (C-4 reports); and (2) RCW 42.17A.240 for failure to properly report expenditures and debts on C-4 reports, including the failure to provide proper expenditure descriptions.

PDC staff reviewed the allegations; the applicable statutes, rules, and reporting requirements; the response provided by Jeff Wiley, 2017 Chair, Kitsap County Democrats; the applicable PDC reports filed by the Committee; and data in the PDC contribution and expenditure database, to determine whether the record supports a finding of one or more violations.

Based on staff's review, we found the following:

- The Committee's most recent C1-PC was filed January 10, 2019, with the Committee choosing the Full Reporting option and listing Johanna Baxter as campaign manager and Jennifer Chamberlin as treasurer.

**Allegation #1: Failure to timely and accurately file C-3 and C-4 reports**

- The complaint alleged the Committee failed to timely file C-3 and C-4 reports during the 2015, 2016 and 2017 election years. You attached a spreadsheet of those reports.

- In the response, Wiley acknowledged the Committee made reporting errors, however noted the Committee had four treasurers due to a combination of medical issues and a treasurer leaving mid-year for a job outside the area.

**Allegation #2: Failure to disclose debts and obligations on C-4 reports.**

- The complaint alleged that the Committee failed to disclose debts and obligations on C-4 reports and properly provide detailed breakdown descriptions of expenditures. You attached a spreadsheet of those expenditures.
- In response, the Committee stated some listed items were “just plain false and recklessly made. We paid them before we either received the service or used the venue, or they were monthly charges that would only be debt if they had been overdue, which they were not.”
- The Committee also noted they worked with PDC and have been educated on what items should have been reported as debts and amended reports noted in the complaint.
- Staff expects the Committee to timely file all future required reports and disclose debts and obligations in future years.

**Allegation #3: Failing to provide detailed expenditure information on C-4 reports**

- The complaint alleged that the Committee failed to properly provide detailed descriptions of expenditures. You attached a spreadsheet of those expenditures.
- The Committee made good faith efforts to comply with the reporting requirements of RCW 42.17A.240 concerning expenditures undertaken by the campaign on their C-4 reports. The public was not deprived of critical information as the dates, amounts, and purposes of the expenditures were disclosed.
- In response to a request from the PDC, the Committee updated its 2016 C-4 reports in March 2019 to provide additional detail.

As noted above, the Committee acknowledged the violation. In addition, (1) many of the late reports included limited direct contributions to candidates or ballot measures, and (2) the Committee filed reports in 2017 and 2018 timely during critical periods before and after an election.

The Kitsap County Democrat Central Committee completed a Statement of Understanding (SOU) and paid a \$300 civil penalty in accordance with WAC 390-37-143 (Brief Enforcement Penalty Schedule), acknowledging violations of RCW 42.17A.235 for failing to timely file the C-4 reports in 2016. The \$300 penalty assessed in this matter resolves the allegations listed in your complaint.

PDC staff is also reminding the Committee to properly report expenditures and debts on C-4 reports, including providing proper expenditure descriptions.

Based on the above findings and the SOU, staff has determined that, in this instance, this matter does not warrant further investigation. The PDC finds that no further action is warranted and has dismissed this matter in accordance with RCW 42.17A.755(1).

If you have questions, you may contact Alice Fiman at 1-360-586-4746 or toll-free at 1-877-601-2828, or by e-mail [pdcc@pdcc.wa.gov](mailto:pdcc@pdcc.wa.gov).

**Public Disclosure Commission Statement of Understanding**

**Kitsap County Democratic Central Committee: PDC Case 25578**

I Lillian Crawford hereby acknowledge:  
(Printed Name of Treasurer)

The Kitsap County Democratic Central Committee (Committee) filed a total of 79 C-3 and C-4 reports disclosing \$60,856.01 in contributions received, and \$61,458.42 in expenditures made, during the 2016 election year, including 18 amended reports. The Committee participated in the 2016 election.

The Committee violated RCW 42.17A.235 by failing to timely Summary Full Campaign Contribution and Expenditure reports (C-4 reports) disclosing expenditures undertaken by the Committee in election year 2016 as detailed below:

1. 21-Day and 7-Day Pre-Primary Election C-4 reports:

On August 14, 2016 the Committee filed a C-4 report disclosing \$8,929.96 in expenditures from July 1 – 31, 2016. This included \$5,000 in direct contributions to candidates. Due to these contributions, the Committee was required to file 21-Day and 7-Day Pre-Primary Election C-4 reports for 2016. Based on the August 14, 2016 filing, the expenditures were reported between 15 and 29 days late, and eight days after the 2016 Primary Election.

2. 7-Day Pre-General Election C-4 report:

On November 10, 2016, the Committee filed a C-4 report disclosing \$10,909.45 in expenditures, which included a October 20, 2016 expenditure of \$10,601.02 for printing and mailing a sample ballot postcard. The Committee was required to file 7-Day Pre-Primary Election C-4 reports for 2016 to report this expenditure. Based on the November 10, 2016 filing, the expenditure was reported 12 days late, and five days after the 2016 General Election.

The Committee would like to avoid the time and expense resulting from a Brief Adjudicative Proceeding (Brief Enforcement Hearing) being scheduled by Public Disclosure Commission (PDC) staff.

Therefore, in lieu of PDC staff scheduling a Brief Enforcement Hearing, I am completing this Statement of Understanding, and enclosing a check or money order in the amount of \$300 as a penalty payment in this matter.

The \$300 penalty being assessed includes \$150 for the two acknowledged violations of RCW 42.17A.235 listed above for failing to timely and accurately file C-4 reports for election campaigns in calendar year 2016, in accordance with the Penalty Schedule adopted by the Commission for Brief Enforcement Hearings set forth in WAC 390-37-143.

I understand that by completing this Statement of Understanding, I acknowledge the violations of RCW 42.17A set forth above and I am waiving the Committee's right to a hearing in this matter.
