

Dear PDC –

My response to the complaint about why our committee filed monthly C-4 reports rather than following the 21- day, 7- day and post election reporting schedule is simply ignorance. I was under the impression that these reporting schedules were for candidate campaign committees only.

Now that I know that county party committees must follow the same schedule, I will pass this information on to the next chair and treasurer who will take office next week.

Sincerely,

Katie Haven
