<b>Complaint Description</b>
<p><a href="#">Glen Morgan</a>  reported via the portal  10 days ago (Mon, 21 Aug 2023 at 1:19 PM)</p> <p>To whom it may concern,</p> <p>It has come to my attention, as it has in the past, that the Okanogan County Democrats, as they are inclined to do, have violated Washington State’s campaign finance laws (<b>RCW 42.17A</b>). Once again, the specific violations are detailed below:</p> <p><b>1) Attempting to conceal the truth about political activity from the public by waiting weeks, months, or more to report what they did or who funded them (Violation RCW 42.17A.235, RCW 42.17A.240)</b></p> <p>I realize this allegation doesn’t surprise anyone who pays attention to Okanogan politics, but it still merits reporting the truth. Of course, This group apparently enjoys breaking the law, so I thought I would revisit their activities once again, as I have been doing over the past week, and help the PDC address this troubled group and their wayward ways. Those who enjoy breaking the law like these guys never stop, so those of us who are inclined to pay attention can’t really stop either.</p> <p>First, let’s just review the late reporting, which is essentially an effort by this secretive, repetitively lawbreaking PAC to conceal the truth from the public for as long as they believe they can get away with it. Even a casual review of this crew’s history shows they do this all the time.</p> <p>I try to provide specific examples of lawbreaking in a very easy-to-read and simpler to understand spreadsheet format. This is both for PDC staff convenience, but it also helps the lawbreakers use the list as a reference sheet so that they can go back and try to explain, justify, or excuse their repetitive lawbreaking activities. I’ve attached this both as an Excel file and a PDF so that everyone involved can get the optimal value from the effort. Please note that the original report referenced in the spreadsheet can be linked by clicking on the far-right column. I believe this makes it easier for everyone.</p> <p>A quick note again on how this report is organized. I’ve <b>organized it by latest report first</b>. You’ll note that the latest report filed by this group was 316 days late (in fact 4 of them tied for this record distinction) – which is pretty late even in the Okanogan.</p>

**I've color coded the most extreme late reports red, as I usually do, of which there are 134 of these.** I've color coded the problematically late orange, and there are only 35 of those 15-5 days late. Illegal, but not as egregious as most of their reports. These are still serious violations, which on their own would justify this complaint at this volume of late reporting. I've color coded the sloppily late reports yellow, and there are only 7 of those. So, it appears that when they want to break the law, they just go for weeks and months and conceal everything rather than just getting a bit sloppy. The attached spreadsheet and PDF file of this information should be adequate to verify this allegation.

**2) Failure to accurately describe expense, and the illegal concealment of required information from the public. (Violation of RCW 42.17A.240, RCW 42.17A.235 & WAC 390-16-037)**

Once I realized this PAC would so egregiously violate the law with such carelessness with their late reporting, I looked closer at their reports (as late as they were finally submitted). It turns out this PAC has failed to follow Washington State's Campaign Finance laws as they apply to the reporting of expenditures. Here **are a few specific examples of failing to follow the law. These are clear and explicit violation of WAC 390-16-037, Example B:**

- On **PDC Report #110005019**, attached for staff reference, this PAC claims to have **received \$250 worth of "Biden/Harris" signs** with vendor, this PAC still failed to report how many signs, which is an explicit **violation of WAC 390-16-037, Example B.**
- On **PDC Report #110004139**, attached for staff reference, this PAC claims to have made multiple expenditures for "General Election Advertising" with various vendors. However, in no example did they properly report how many ads, over what time frame, what type of ads, and ads for whom? Not once. This is **an explicit violation of WAC 390-16-037, Example A.**

I'm sure there are more violations like this, but this just a sampling of what I have found that this PAC needs to go back and correct.

**3. Failure to timely update C1pc to include officers, essentially keeping the true officers of this PAC secret from the public (Violation of RCW 42.17A.205(2))**

*The current committee registration can be found on the PDC website, and it was updated in March of this year. However, the State Committee Person identified on the C1PC is "C'Ann Kariores" which does not match with their website listing of officers found here:*

[Executive Board - Okanogan County Democrats \(okanogandemocrats.org\)](http://okanogandemocrats.org)

It appears on their website that this officer position is currently being held by a "Halley Hart" with no published bio. It appears this PAC needs to update their C1PC form to get compliant here as well.

I'm sure there are more violations to discover here as well, but this is what I found in a few minutes looking at this crew.

Best Regards,

Glen Morgan

**What impact does the alleged violation(s) have on the public?**

The public has a right to know how a well-funded local party crew spends its money and who is donating to it, on a regular and timely basis. This is a small community, easily impacted by Dark Money cash from secretive groups who conceal the truth from the public for long periods of time during critical election periods.

**List of attached evidence or contact information where evidence may be found**

All clearly provided in the attached spreadsheets, in the body of the complaint, and in exhibits attached for staff reference.

**List of potential witnesses with contact information to reach them**

All the officers (whoever they might be) should be contacted.

**Certification (Complainant)**

I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief.
