

I've copy and pasted my response to the Attorney General's office from earlier this year in January:

Hello Mr. Perkins,

My campaign for Port of Tacoma Commissioner in 2017 was my very first political campaign. I filed for candidacy on May 19, 2017, at the last hour. I had no plans to run for office until I saw at that hour that the incumbent was unopposed. I felt that the Port and Pierce County should have a better economic vision and that a political race will hold politicians accountable for their decisions (ex. world's largest methanol plant) and future plans.

I had no prior experience with politics or running campaigns. I have reviewed Mr. Morgan's complaint and exhibits. If there are mistakes, they were not intentional. The response to each Exhibit and violations are below.

If you have any question or would like to discuss this matter further, please feel free to contact me via email or at (253) 961-0528.

Thank you.
Sincerely,
Kristin Ang

EXHIBIT A

Regarding Violation # 1, the due date listed on the ORCA program is 08/10/2017, and the C4 was submitted that day. The C4 report covers expenses from July 1, 2017, to July 31, 2017.

Regarding Violation #2, the due date listed on ORCA program is 06/12/2017. There was some confusion in the beginning regarding C4 due dates. The C4 due dates were later calibrated with help from PDC office.

Violations #3 and #4 are for the same transaction. Key Bank required \$250 to start a bank account. So personal funds of \$300 was deposited to start account. \$300.00 was deposited on 06/01/2017 Thursday.

Violation #5. Deposit of \$25 donation on 07/13/2017. Date Reported was 07/21/2017. This report does appear to be late by 4 days.

Violation #7. There is no C3 Report listed on PDC site with submission date of 06/06/2017.

EXHIBIT B

Regarding Violations #1,2,3. Mr. Morgan states that these should have been reported in May 2017. But the idea and order for the fans did not happen until late June. The dates reported are when the vendors were paid, and they take payment upfront.

Violation #4. Xpress Sign Company. The invoice for the yard signs were emailed on 08/14/2017. Xpress Sign Company was paid on 08/15/2017. Campaign sent an email to Xpress Sign Company giving agreement and permission to print yard signs on 08/08/2017.

Violation #5. Ink Inc. Tee shirts. Campaign contacted Ink Inc. regarding Tee shirts on 08/09/2017. We agreed on price and quantity on 08/16/2017. Gave a deposit of \$200 on 08/16/2017 to start printing shirts. Paid the rest of the balance on 08/18/2017 in the amount of \$284.38 to pick up shirts from Ink Inc.

Violation #6 Johnson Cox Company. I emailed Johnson Cox company to print 1000 remits on 07/28/2017. Remits were available for pick up on 08/03/2017 but invoice was not available at the time. I dropped by the Johnson Cox in October to pay. First invoice was incorrect. So, they printed a corrected one and that was paid on same day.

Violation #7. FACEBOOK. The campaign started using Facebook in October. Facebook was given a maximum amount to charge per post, but it is us up to Facebook how much to charge depending on days and how many people view post. Mr. Morgan reports this as 36 days late, which cannot be true. The payment to Facebook was reported on 10/30/2017 and the ads started in October, and most of the money for Facebook ads were towards end of October and early November.
