What impact does the alleged violation(s) have on the public?
<p>Snohomish Ebony PAC released a mailer in support of Gloria Ngezaho, candidate for Lake Stevens City Council. This mailer did not include the top 5 contributors to the PAC, which keeps the voters in the dark as to who is putting money into our elections. In addition to this, Snohomish Ebony PAC did not file a C-6 with this independent expenditure, once again taking away the chance for the voters to know how much money is being spent on behalf of certain candidates.</p>
