<b>Complaint Description</b>
<p><a href="#">Geordy B. Greene</a> reported via the portal  <i>(Tue, 19 Sep 2023 at 2:47 PM)</i></p> <p>NoVoteFortney.com is a website that has recently been launched against Adam Fortney a candidate for Snohomish County Sheriff. The issue is that there is no identifier anywhere on the website as to who paid for it, and when a little more digging is done, it appears that the website is registered under a proxy server, which has the express purpose of keeping the website creators identity unknown.</p>
<b>What impact does the alleged violation(s) have on the public?</b>
The whole point of the PDC, and election disclosure laws is so that the public can understand who is paying for campaign materials. This website that was created to advocate against a candidate for county wide office is not being fully transparent to the voters, and to those that come across the site. The public deserves to know who is funding these types of campaigns for or against candidates.

<b>Certification (Complainant)</b>
I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief.
