To Whom It May Concern:

We present the following in response to PDC complaint no. 144494.

The treasurer for our campaign in election year 2019 was not a professional campaign treasurer. They worked in a related field and offered to help the campaign in this capacity on a volunteer basis in their spare time. They kept accurate records for the campaign but perhaps did not have complete knowledge of the vast array of election finance laws and reporting guidelines and requirements. They did the best they could with the knowledge that they had.

There was no intent at any time to illegally obscure the true amount or source of any donations.

When reviewing our 2019 filings upon receiving this complaint, we did find some gaps that we have since corrected. The currently filed reports are an accurate reflection of the 2019 campaign finances.

Please let us know if the PDC requires anything else.

Sincerely,

Friends of Linda Farmer
