To Whom It May Concern:

We present the following in response to PDC complaint no. 144527.

Our campaign has done a thorough review of our past 2018 filings and corrected any errors found and filed all reports discovered to have been missing. The currently filed reports are as accurate as possible.

There was no intent at any time to illegally obscure the true amount or source of any donations or the recipient of any campaign funds for services rendered. Our volunteer treasurers for that election cycle performed their duties to the best of their ability.

Please let us know if the PDC requires anything else.

Sincerely,

The Friends of Melanie Morgan
