What a night! I love it when we attract folks representing different demographics and political ideology. This is a movement of the people, coming together to save our beautiful state.

The momentum is growing and the people are ready to give Olympia the Bird in 2024!

United we stand, together we can!

Fabulous evening... incredible people. I was so touched by their stories of American patriotism, true grit, personal sacrifice and ingenuity. But the BEST part was seeing their hope and excitement about electing a Governor from the People and for the People!!

Who will be Washington's next

Semi Bird For Governor Of WA
@bird4governor

We celebrate Constitution Day not only to commemorate the ratification of the Constitution, but to remind us that through it all — through a civil war, racism and discrimination, economic crises, and pandemics — the greatest threat to our nation is an apathetic and divided people. WE THE PEOPLE must stand together, not as Republicans or Democrats, but as AMERICANS united. United we stand, together we can!
