OF THE STATE OF WASHINGTON

In RE COMPLIANCE WITH
RCW 42.17 and RCW 42.17A

Washington State Republican Party
(Non-Exempt & Exempt Accounts)

Respondent.

PDC Case 146593

[AMENDED]
Report of Investigation

Background, Complaint and Allegation

- 1.1 The Washington state Republican Party (WSRP) is a Bona Fide State Party Committee with an Exempt and Non-Exempt account both registered with the Public Disclosure Commission (PDC).
- 1.2 On June 16, 2023, WSRP filed a Committee Registration (C-1pc report) for the Non-Exempt account, selecting the Full Reporting option and listing Caleb Heimlich as Chairman and Amanda St. George as Interim Treasurer. On that same date, WSRP filed a C-1pc report for the Exempt account, selecting the Full Reporting option and listing Caleb Heimlich as Chairman and Amanda St. George as Interim Treasurer.
- 1.3 Both C-1pc reports were amended three times. First, on September 11, 2023, the reports were amended to disclose Jim Walsh as Chairman and Conner Edwards as Treasurer. They were amended again on November 13, 2023, disclosing Braden Batt as Treasurer. The C-1pc reports were most recently amended on July 15, 2024, disclosing Matthew Frohlich as Treasurer.
- 1.4 Miriam Juritz and Han Tran appeared on the November 7, 2023, general election ballot for Northshore School District 417, Position 3. Han Tran won the seat with 54.11% of the votes.
- 1.5 On October 27, 2023, PDC staff received a complaint from Stacey Valenzuela alleging that an unknown person sent a text message opposing Han Tran, a 2023 Northshore

School District director candidate. This text message did not include the required sponsor identification. **[Exhibit 1]**

- 1.6 In order to identify the sponsor of the text message, on December 4, 2023, PDC staff issued a subpoena to Onvoy, LLC d/b/a Inteliquent, whom staff believed was the owner of the telephone number(s) used to send the text messages. **[Exhibit 7]** In response to the subpoena, staff was given Inteliquent's customer name, SignalWire, Inc. **[Exhibit 8]**
- 1.7 On December 19, 2023, staff sent a commercial advertiser request pursuant to RCW 42.17A.345 to SignalWire, Inc. In response to the request, SignalWire asserted it was not an advertiser but provided the vendor used to send the text message, Prompt.io Inc. **[Exhibit 9]**
- 1.8 On December 26, 2023, staff sent a commercial advertising request to Prompt.io requesting information regarding the purchaser and costs connected to the October 26, 2023, text message campaign. **[Exhibit 10]**
- 1.9 On December 29, 2023, staff received a response from vendor Prompt.io, identifying the sponsor as the WSRP, with a payment amount of \$159.22 for 3,175 texts. **[Exhibit 11]**
- 1.10 Prior to identifying WSRP as the sponsor of the political advertisement, staff received an additional complaint from Stacey Valenzuela on October 27, 2023 **[Exhibit 1]**, and a complaint from Heidi Schauble on November 7, 2023 **[Exhibit 2]**, alleging a violation of RCW 42.17A.320 for failure to include sponsor identification on the October 26, 2023, text message.
- 1.11 Staff received two complaints from Jacki Bricker and Ron Critchfield both on February 1, 2024 **[Exhibit 3]**, alleging a violation of RCW 42.17A.320 for failure to include sponsor identification on the October 26, 2023, text message.
- 1.12 On January 29, 2024, the PDC conducted an Initial Hearing (Case Status Review) and opened a formal investigation against WSRP.
- 1.13 During the investigation of PDC Case Number 140213, staff identified a \$100,000 monetary contribution received by Let's Go Washington on December 12, 2023, from the Washington State Republican Party Exempt account.
- 1.14 During the investigation, staff identified a \$106,500 non-itemized monetary contribution identified as coming from an "anonymous" source and disclosed by WSRP Exempt account on a Cash Receipts Monetary Contribution report (C-3 report) submitted September 23, 2024. **[Exhibit 14]**

II.

Investigative Findings

Allegation #1: Alleged failure to include sponsor identification political advertisement

- 2.1 PDC staff sent notice of the complaints from Stacey Valenzuela and Heidi Schauble to WSRP on January 3, 2024, and requested a response by January 16, 2024.
- 2.2 In his response, WSRP Executive Director Braden Batt acknowledged that WSRP failed to provide sponsor ID on the text message, stating that it was still in the draft status of their regular review process when it was accidentally queued up with other, much larger SMS projects being sent at the same time. Mr. Batt stated that the value of the text messaging lacking sponsor ID was \$150. **[Exhibit 4]**

Allegation #2: Alleged failure to timely and accurately disclose expenditures for text messaging campaign

- 2.3 On January 16, 2024, after being unable to locate it, staff requested confirmation that the \$159.22 expenditure made to Prompt.io for the October 26, 2023, text messaging campaign had been reported by WSRP.
- 2.4 On January 26, 2024, WSRP Non-Exempt amended its Summary Full Campaign Contribution and Expenditure report (C-4 report) covering October 17 – 30, 2023, to add an October 26, 2023, debt owed for \$159.22 to Prompt.io Inc., with the description “GOTV text messages – Myriam Juritz Northshore School Dis. Dir. Pos. 3.” **[Exhibit 5]** The payment to Prompt.io was disclosed after the November 7, 2023, general election and 92 days after the text message was sent.
- 2.5 On February 16, 2024, staff requested confirmation that the \$159.22 entry had been reported correctly as a debt. On February 26, 2024, Mr. Batt confirmed the \$159.22 was still a debt as Prompt.io had not yet cashed the check. **[Exhibit 12]**

Allegation #3: Alleged prohibited exempt funds contribution to a ballot measure committee

- 2.6 On January 10, 2024, WSRP Exempt submitted a C-4 report covering activity for December 2023 and disclosed a \$100,000 monetary contribution to Let’s Go Washington, a ballot measure committee registered with the PDC to support six statewide initiatives. **[Exhibit 6]**

- 2.7 On May 23, 2024, PDC staff requested confirmation that the expenditure was accurate and WSRP had used exempt funds to make the contribution to Let's Go Washington.
- 2.8 Mr. Batt responded on May 31, 2024, confirming that the \$100,000 contribution was made using exempt funds stating it has been a well-established practice of the State Party to write cash contributions out of the exempt account to non-candidate Political Committees/PACs. **[Exhibit 13]**

Allegation #4: Alleged failure to timely and accurately disclose the source of monetary contributions and prohibited deposit of overlimit anonymous contributions

- 2.9 On September 23, 2024, WSRP Exempt submitted a C-3 report disclosing anonymous contributions totaling \$106,500 deposited on September 17, 2024. **[Exhibit 14]**
- 2.10 On October 9, 2024, PDC staff requested WSRP to amend the September 23, 2024, and identify the source of the anonymous contributions. **[Exhibit 15]**
- 2.11 WSRP neither amended the C-3 report originally submitted on September 23, 2024, to identify the source of the \$106,500 anonymous contribution, nor responded to PDC staff's request.

Statute and Rule

RCW 42.17A.320 Identification of sponsor—Exemptions.

(1) All written political advertising, whether relating to candidates or ballot propositions, shall include the sponsor's name and address. All radio and television political advertising, whether relating to candidates or ballot propositions, shall include the sponsor's name. The use of an assumed name for the sponsor of electioneering communications, independent expenditures, or political advertising shall be unlawful. For partisan office, if a candidate has expressed a party or independent preference on the declaration of candidacy, that party or independent designation shall be clearly identified in electioneering communications, independent expenditures, or political advertising.

(2) In addition to the information required by subsection (1) of this section, except as specifically addressed in subsections (4) and (5) of this section, all political advertising undertaken as an independent expenditure or an electioneering communication by a person or entity other than a bona fide political party must include as part of the communication:

(b) Not be subject to the half-tone or screening process; and

(c) Be set apart from any other printed matter. No text may be before, after, or immediately adjacent to the information required by subsections (1) and (2) of this section.

Paid for by (name, city, state)." If the advertisement or communication is undertaken by a nonindividual other than a party organization, then the following notation must also be included: "Top Five Contributors" followed by a listing of the names of the five persons making the largest aggregate contributions as determined by RCW [42.17A.350](#)(1); and if necessary, the statement "Top Three Donors to

PAC Contributors," followed by a listing of the names of the three individuals or entities other than political committees making the largest aggregate contributions to political committees as determined by RCW [42.17A.350](#)(2). (5) The following statement shall be clearly spoken in an independent expenditure or electioneering communication transmitted by a method that does not include a visual image: "No candidate authorized this ad. Abbreviations may be used to describe contributing entities if the full name of the entity has been clearly spoken previously during the broadcast advertisement.

(6) Political advertising costing one thousand dollars or more supporting or opposing ballot measures sponsored by a political committee must include the information on the top five contributors and top three contributors, other than political committees, as required by RCW [42.17A.350](#). A series of political advertising sponsored by the same political committee, each of which is under one thousand dollars, must include the top five contributors and top three contributors, other than political committees, as required by RCW [42.17A.350](#) once their cumulative value reaches one thousand dollars or more.

(7) Political yard signs are exempt from the requirements of this section that the top five contributors and top three PAC contributors as required by RCW [42.17A.350](#) be listed on the advertising. In addition, the public disclosure commission shall, by rule, exempt from the identification requirements of this section forms of political advertising such as campaign buttons, balloons, pens, pencils, sky-writing, inscriptions, and other forms of advertising where identification is impractical.

(8) For the purposes of this section, "yard sign" means any outdoor sign with dimensions no greater than eight feet by four feet.

RCW 42.17A.235 Reporting of contributions and expenditures—Public inspection of accounts.

(1)(a) In addition to the information required under RCW [42.17A.205](#) and [42.17A.210](#), each candidate or political committee must file with the commission a report of all contributions received and expenditures made as a political committee on the next reporting date pursuant to the timeline established in this section.

(b) In addition to the information required under RCW [42.17A.207](#) and [42.17A.210](#), on the day an incidental committee files a statement of organization with the commission, each incidental committee must file with the commission a report of any election campaign expenditures under

*RCW [42.17A.240](#)(6), as well as the source of the ten largest cumulative payments of ten thousand dollars or greater it received in the current calendar year from a single person, including any persons tied as the tenth largest source of payments it received, if any.

(2) Each treasurer of a candidate or political committee, or an incidental committee, required to file a statement of organization under this chapter, shall file with the commission a report, for each election in which a candidate, political committee, or incidental committee is participating, containing the information required by RCW [42.17A.240](#) at the following intervals:

(a) On the twenty-first day and the seventh day immediately preceding the date on which the election is held; and

(b) On the tenth day of the first full month after the election.

(3)(a) Each treasurer of a candidate or political committee shall file with the commission a report on the tenth day of each month during which the candidate or political committee is not participating in an election campaign, only if the committee has received a contribution or made an expenditure in the preceding calendar month and either the total contributions received or total expenditures made since the last such report exceed two hundred dollars.

(b) Each incidental committee shall file with the commission a report on the tenth day of each month during which the incidental committee is not otherwise required to report under this section only if the committee has:

(i) Received a payment that would change the information required under RCW [42.17A.240](#)(2)(d) as included in its last report; or

(ii) Made any election campaign expenditure reportable under *RCW [42.17A.240](#)(6) since its last report, and the total election campaign expenditures made since the last report exceed two hundred dollars.

(4) The report filed twenty-one days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. The report filed seven days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. Reports filed on the tenth day of the month shall report all contributions received and expenditures made from the closing date of the last report filed through the last day of the month preceding the date of the current report.

(5) For the period beginning the first day of the fourth month preceding the date of the special election, or for the period beginning the first day of the fifth month before the date of the general election, and ending on the date of that special or general election, each Monday the treasurer for a candidate or a political committee shall file with the commission a report of each bank deposit made during the previous seven calendar days. The report shall contain the name of each person contributing the funds and the amount contributed by each person. However, persons who contribute no more than twenty-five dollars in the aggregate are not required to be identified in the report. A copy of the report shall be retained by the treasurer for the treasurer's records. In the event of deposits made by candidates, political committee members, or paid staff other than the treasurer, the copy shall be immediately provided to the treasurer for the treasurer's records. Each report shall be certified as correct by the treasurer.

(6)(a) The treasurer for a candidate or a political committee shall maintain books of account accurately reflecting all contributions and expenditures on a current basis within five business days of receipt or expenditure. During the ten calendar days immediately preceding the date of the election the books of account shall be kept current within one business day. As specified in the political committee's statement of organization filed under RCW [42.17A.205](#), the books of account must be open for public inspection by appointment at a place agreed upon by both the treasurer and the requestor, for inspections between 9:00 a.m. and 5:00 p.m. on any day from the tenth calendar day immediately before the election through the day immediately before the election, other than Saturday, Sunday, or a legal holiday. It is a violation of this chapter for a candidate or political committee to refuse to allow and keep an appointment for an inspection to be conducted during these authorized times and days. The appointment must be allowed at an authorized time and day for such inspections that is within forty-eight hours of the time and day that is requested for the inspection. The treasurer may provide digital access or copies of the books of account in lieu of scheduling an appointment at a designated place for inspection. If the treasurer and requestor are unable to agree on a location and the treasurer has not provided digital access to the books of account, the default location for an appointment shall be a place of public accommodation selected by the treasurer within a reasonable distance from the treasurer's office.

(b) At the time of making the appointment, a person wishing to inspect the books of account must provide the treasurer the name and telephone number of the person wishing to inspect the books of account. The person inspecting the books of account must show photo identification before the inspection begins.

(c) A treasurer may refuse to show the books of account to any person who does not make an appointment or provide the required identification. The commission may issue limited rules to modify the requirements set forth in this section in consideration of other technology and best practices.

(7) Copies of all reports filed pursuant to this section shall be readily available for public inspection by appointment, pursuant to subsection (6) of this section.

(8) The treasurer or candidate shall preserve books of account, bills, receipts, and all other financial records of the campaign or political committee for not less than five calendar years following the year during which the transaction occurred or for any longer period as otherwise required by law.

(9) All reports filed pursuant to subsection (1) or (2) of this section shall be certified as correct by the candidate and the treasurer.

(10) Where there is not a pending complaint concerning a report, it is not evidence of a violation of this section to submit an amended report within twenty-one days of filing an initial report if:

(a) The report is accurately amended;

(b) The amended report is filed more than thirty days before an election;

(c) The total aggregate dollar amount of the adjustment for the amended report is within three times the contribution limit per election or two hundred dollars, whichever is greater; and

(d) The committee reported all information that was available to it at the time of filing, or made a good faith effort to do so, or if a refund of a contribution or expenditure is being reported.

(11)(a) When there is no outstanding debt or obligation, the campaign fund is closed, the campaign is concluded in all respects, and the political committee has ceased to function and intends to dissolve, the treasurer shall file a final report. Upon submitting a final report, the political committee so intending to dissolve must file notice of intent to dissolve with the commission and the commission must post the notice on its website.

(b) Any political committee may dissolve sixty days after it files its notice to dissolve, only if:

(i) The political committee does not make any expenditures other than those related to the dissolution process or engage in any political activity or any other activities that generate additional reporting requirements under this chapter after filing such notice;

(ii) No complaint or court action under this chapter is pending against the political committee; and

(iii) All penalties assessed by the commission or court order have been paid by the political committee.

(c) The political committee must continue to report regularly as required under this chapter until all the conditions under (b) of this subsection are resolved.

(d) Upon dissolution, the commission must issue an acknowledgment of dissolution, the duties of the treasurer shall cease, and there shall be no further obligations under this chapter. Dissolution does not absolve the candidate or board of the committee from responsibility for any future obligations resulting from the finding after dissolution of a violation committed prior to dissolution.

(12) The commission must adopt rules for the dissolution of incidental committees.

RCW 42.17A.240 Contents of report.

For payments to incidental committees from multiple persons received in aggregated form, any payment of more than ten thousand dollars from any single person must be reported, but the aggregated payment itself may not be reported. The commission may suspend or modify reporting requirements for payments received by an incidental committee in cases of manifestly unreasonable hardship under this chapter;

An incidental committee only must report on expenditures, made and reportable as contributions as defined in RCW [42.17A.005](#), to election campaigns. For purposes of this subsection, commentary or analysis on a ballot proposition by an incidental committee is not considered an expenditure if it does not advocate specifically to vote for or against the ballot proposition;
- (8) The name, address, and electronic contact information of each person to whom an expenditure was made for soliciting or procuring signatures on an initiative or referendum petition, the amount of the compensation to each person, and the total expenditures made for this purpose. However, contributions to a candidate or a candidate's authorized committee may be made with respect to a primary until thirty days after the primary, subject to the following limitations: (a) The candidate lost the primary; (b) the candidate's authorized committee has insufficient funds to pay debts outstanding as of the date of the primary; and (c) the contributions may only be raised and spent to satisfy the outstanding debt. Contributions to candidates subject to the limits in this section made with respect to a general election may not be made after the final day of the applicable election cycle.

(3) No person, other than a bona fide political party or a caucus political committee, may make contributions to a state official, a county official, a city official, a school board member, a public hospital district commissioner, or a public official in a port district against whom recall charges have been filed, or to a political committee having the expectation of making expenditures in support of the recall of the state official, county official, city official, school board member, public hospital district commissioner, or public official in a port district during a recall campaign that in the aggregate exceed *eight hundred dollars if for a legislative office, county office, school board office, public hospital district office, or city office, or *one thousand six hundred dollars if for a port district office or a state office other than a legislative office.

(4)(a) Notwithstanding subsection (2) of this section, no bona fide political party or caucus political committee may make contributions to a candidate during an election cycle that in the aggregate exceed (i) eighty cents multiplied by the number of eligible registered voters in the jurisdiction from which the candidate is elected if the contributor is a caucus political committee or the governing body of a state organization, or (ii) forty cents multiplied by the number of registered voters in the jurisdiction from which the candidate is elected if the contributor is a county central committee or a legislative district committee.

(b) No candidate may accept contributions from a county central committee or a legislative district committee during an election cycle that when combined with contributions from other county central committees or legislative district committees would in the aggregate exceed forty cents times the number of registered voters in the jurisdiction from which the candidate is elected.

(5)(a) Notwithstanding subsection (3) of this section, no bona fide political party or caucus political committee may make contributions to a state official, county official, city official, school board member, public hospital district commissioner, or a public official in a port district against whom recall charges have been filed, or to a political committee having the expectation of making expenditures in support of the state official, county official, city official, school board member, public hospital district commissioner, or a public official in a port district during a recall campaign that in the aggregate exceed (i) eighty cents multiplied by the number of eligible registered voters in the jurisdiction entitled to recall the state official if the contributor is a caucus political committee or the governing body of a state organization, or (ii) forty cents multiplied by the number of registered voters in the jurisdiction from which the candidate is elected if the contributor is a county central committee or a legislative district committee.

(b) No official holding an office specified in subsection (1) of this section against whom recall charges have been filed, no authorized committee of the official, and no political committee having the expectation of making expenditures in support of the recall of the official may accept contributions from a county central committee or a legislative district committee during an election cycle that when combined with contributions from other county central committees or legislative district committees would in the aggregate exceed forty cents multiplied by the number of registered voters in the jurisdiction from which the candidate is elected.

(6) For purposes of determining contribution limits under subsections (4) and (5) of this section, the number of eligible registered voters in a jurisdiction is the number at the time of the most recent general election in the jurisdiction.

(7) Notwithstanding subsections (2) through (5) of this section, no person other than an individual, bona fide political party, or caucus political committee may make contributions reportable under this chapter to a caucus political committee that in the aggregate exceed *eight hundred dollars in a calendar year or to a bona fide political party that in the aggregate exceed *four thousand dollars in a calendar year. This subsection does not apply to loans made in the ordinary course of business.

(8) For the purposes of RCW [42.17A.125](#), [42.17A.405](#) through [42.17A.415](#), [42.17A.450](#) through [42.17A.495](#), [42.17A.500](#), [42.17A.560](#), and [42.17A.565](#), a contribution to the authorized political committee of a candidate or of an official specified in subsection (1) of this section against whom recall charges have been filed is considered to be a contribution to the candidate or official.

(9) A contribution received within the twelve-month period after a recall election concerning an office specified in subsection (1) of this section is considered to be a contribution during that recall campaign if the contribution is used to pay a debt or obligation incurred to influence the outcome of that recall campaign.

(10) The contributions allowed by subsection (3) of this section are in addition to those allowed by subsection (2) of this section, and the contributions allowed by subsection (5) of this section are in addition to those allowed by subsection (4) of this section.

(11)
RCW [42.17A.125](#), [42.17A.405](#) through [42.17A.415](#), [42.17A.450](#) through [42.17A.495](#), [42.17A.5](#)

[00](#), [42.17A.560](#), and [42.17A.565](#) apply to a special election conducted to fill a vacancy in an office specified in subsection (1) of this section. However, the contributions made to a candidate or received by a candidate for a primary or special election conducted to fill such a vacancy shall not be counted toward any of the limitations that apply to the candidate or to contributions made to the candidate for any other primary or election.

(12) Notwithstanding the other subsections of this section, no corporation or business entity not doing business in Washington state, no labor union with fewer than ten members who reside in Washington state, and no political committee that has not received contributions of *ten dollars or more from at least ten persons registered to vote in Washington state during the preceding one hundred eighty days may make contributions reportable under this chapter to a state office candidate, to a state official against whom recall charges have been filed, or to a political committee having the expectation of making expenditures in support of the recall of the official. This subsection does not apply to loans made in the ordinary course of business.

(13) Notwithstanding the other subsections of this section, no county central committee or legislative district committee may make contributions reportable under this chapter to a candidate specified in subsection (1) of this section, or an official specified in subsection (1) of this section against whom recall charges have been filed, or political committee having the expectation of making expenditures in support of the recall of an official specified in subsection (1) of this section if the county central committee or legislative district committee is outside of the jurisdiction entitled to elect the candidate or recall the official.

(14) No person may accept contributions that exceed the contribution limitations provided in this section.

(15) The following contributions are exempt from the contribution limits of this section:

- (a) An expenditure or contribution earmarked for voter registration, for absentee ballot information, for precinct caucuses, for get-out-the-vote campaigns, for precinct judges or inspectors, for sample ballots, or for ballot counting, all without promotion of or political advertising for individual candidates;
- (b) An expenditure by a political committee for its own internal organization or fund-raising without direct association with individual candidates; or
- (c) An expenditure or contribution for independent expenditures as defined in RCW [42.17A.005](#) or electioneering communications as defined in RCW [42.17A.005](#).

WAC 390-17-060 Exempt contributions and activities—Definitions, reporting.

(1)(a) "Exempt contributions" are contributions made to a political committee which are earmarked for exempt activities as described in RCW [42.17A.405](#). Such contributions are required to be reported under RCW [42.17A.240](#), are subject to the restrictions in RCW [42.17A.420](#), but are not subject to the contribution limits in RCW [42.17A.405](#). Any written solicitation for exempt contributions must be so designated. Suggested designations are "not for individual candidates" or "for exempt activities."

(b) Contributions made to a caucus political committee, to a candidate or candidate's authorized committee which are earmarked for voter registration, absentee ballot information, get-out-the-vote campaigns, or sample ballots are presumed to be for the purpose of promoting individual candidates and therefore not exempt contributions and are subject to the contribution limits in RCW [42.17A.405](#).

(c) Contributions made to a caucus political committee, to a candidate or candidate's authorized committee which are earmarked for internal organization expenditures or fund-raising are presumed to be with direct association with individual candidates and therefore not exempt contributions and are subject to the contribution limits in RCW [42.17A.405](#).

(2) "Exempt contributions account" is the separate bank account into which only exempt contributions are deposited and out of which only expenditures for exempt activities shall be made.

(3) "Exempt activities" are those activities referenced in RCW [42.17A.405](#) as further clarified by subsections (4), (5), and (6) of this section. Only exempt activities are eligible for payment with exempt contributions.

(4)(a) Activities referenced in RCW [42.17A.405](#) (15)(a) that do not promote, or constitute political advertising for, one or more clearly identified candidates qualify as exempt activities. For example, get-out-the-vote telephone bank activity that only encourages persons called to "vote republican" or "vote democratic" in the upcoming election may be paid for with exempt contributions regardless of the number of candidates who are benefited by this message. Expenditures or contributions for electioneering communications made in cooperation, consultation, concert or collaboration with, or at the request or suggestion of a candidate, the candidate's authorized committee or agent do not qualify as exempt activities, under WAC [390-05-210](#).

(b) Except as permitted under WAC [390-17-030](#), Sample ballots and slate cards, activities referenced in RCW [42.17A.405](#) (15)(a) that promote or constitute political advertising for one or more clearly identified candidates do not qualify as exempt activities.

(c) A candidate is deemed to be clearly identified if the name of the candidate is used, a photograph or likeness of the candidate appears, or the identity of the candidate is apparent by unambiguous reference.

(5)(a) "Internal organization expenditures" referenced in RCW [42.17A.405](#) (15)(b) are expenditures for organization purposes, including legal and accounting services, rental and purchase of equipment and office space, utilities and telephones, postage and printing of newsletters for the organization's members or contributors or staff when engaged in organizational activities such as those previously listed, all without direct association with individual candidates.

(b) "Fund-raising expenditures" referenced in RCW [42.17A.405](#) (15)(b) are expenditures for fund-raising purposes, including facilities for fund-raisers, consumables furnished at the event and the cost of holding social events and party conventions, all without direct association with individual candidates.

(c) If expenditures made pursuant to (a) and (b) of this subsection are made in direct association with individual candidates, they shall not be paid with exempt contributions.

(6) For purposes of RCW [42.17A.405](#) and this section, activities that oppose one or more clearly identified candidates are presumed to promote the opponent(s) of the candidate(s) opposed.

RCW [42.17A.220](#) Deposit of contributions—Investment—Unidentified contributions.

(1) All monetary contributions received by a candidate or political committee shall be deposited by candidates, political committee members, paid staff, or treasurers in a depository in an account established and designated for that purpose. Such deposits shall be made within five business days of receipt of the contribution. For online or credit card contributions, the contribution is considered received at the time the transfer is made from the merchant account to a candidate or political committee account, except that a contribution made to a candidate who is a state official or legislator outside the restriction period established in RCW [42.17A.560](#), but transferred to the candidate's account within the restricted period, is considered received outside of the restriction period.

(2) Political committees that support or oppose more than one candidate or ballot proposition, or exist for more than one purpose, may maintain multiple separate bank accounts within the same designated depository for such purpose only if:

(a) Each such account bears the same name;

(b) Each such account is followed by an appropriate designation that accurately identifies its separate purpose; and

(c) Transfers of funds that must be reported under *RCW [42.17A.240](#)(5) are not made from more than one such account.

(3) Nothing in this section prohibits a candidate or political committee from investing funds on hand in a depository in bonds, certificates, or tax-exempt securities, or in savings accounts or other similar instruments in financial institutions, or in mutual funds other than the depository but only if:

(a) The commission is notified in writing of the initiation and the termination of the investment; and

(b) The principal of such investment, when terminated together with all interest, dividends, and income derived from the investment, is deposited in the depository in the account from which the investment was made and properly reported to the commission before any further disposition or expenditure.

(4) Accumulated unidentified contributions, other than those made by persons whose names must be maintained on a separate and private list by a political committee's treasurer pursuant to RCW [42.17A.240](#)(2), in excess of one percent of the total accumulated contributions received in the current calendar year, or three hundred dollars, whichever is more, may not be deposited, used, or expended, but shall be returned to the donor if his or her identity can be ascertained. If

the donor cannot be ascertained, the contribution shall escheat to the state and shall be paid to the state treasurer for deposit in the state general fund.

Respectfully submitted this 14th day of October, 2024.

The PDC has received several inquiries about how to provide sponsor ID for political advertising via text message, which is considered an online transmission method under [WAC 390-05-290\(2\)](#). PDC staff has advised political committees that text messages are eligible to use the small online ad alternative outlined in [WAC 390-18-030](#), which allows sponsor ID to be provided using an "automatic display" that takes the reader directly to the required disclosures.

Since some phones receiving the text will not be able to follow a link, we suggest campaigns include, in addition to a web address, mechanisms that allow the recipients to request sponsor ID information. Sponsors should make

<u>Jacki Bricker</u> reported via the portal (Thu, 1 Feb 2024 at 11:11 AM) The Washington State Republican party bought text lists and sent out broad communications anonymously on at least October 26, 2023, alleging that Northshore school board candidate Han Tran is anti-Semitic and was calling for Israel's destruction and the elimination of Jews. It was extremely upsetting and it was specifically designed to be misleading and reduce support for the candidate and to sew chaos. These cowardly lies were specifically designed to bolster support for the GOP candidate.

I replied back to the text asking who was the sponsor of the political communication. I also sent email to Myriam Juritz who was running against Han Tran who claimed not to know who was responsible. Thank you for reaching out on this case. We acknowledge that the Party failed to provide sponsor identification on this SMS project. It was a very small project, a value of only \$150. It was still in the draft status of our regular review process when it was accidentally queued up with other, much larger, SMS projects we were sending out at the same time – those other SMS projects were properly reviewed and compliant.

We apologize that this project was sent out before being properly approved for PDC standards. We do take care in running clean and compliant programs according to PDC standards. We've refined our internal review process and added elements to eliminate this recent error going forward.

Thank you again for reaching out and please let me know if there is any additional information you need for this case.

To: pdcc@pdcc.wa.gov
Subject: RE: PDC Complaints 144096, 144173 & 144359 (231426 - 416159) []

This email confirms receipt by Sinch Voice, operating under the legal name Inteliquent, Inc.; its parent company Onvoy, LLC; and their affiliates (collectively "Inteliquent/Sinch Voice") of the above-referenced matter transmitted via the email below, concerning telephone number(s) 4257582022 and 4252093355 (a copy of which is attached).

As a preliminary matter, please refer to section 4.1 of our Support Guidelines (<https://www.sinch.com/legal/law-enforcement-support>), which specify that the due date for your matter is to be specified as **the first detail** of the subject line of your submitting email and in particular, in MM/DD/YY format (section 4.1.2). The subject line of your message populates a field in the case that is auto-generated in our processing system by each matter that is submitted to LEArequests@sinch.com (which replaces our prior address Legal@Inteliquent.com – please update your agency's records, as this address is being phased out). Where the date is **omitted or otherwise obscured** (by later placement in the subject line, reference to some relative interval, or use of terms in lieu of a specified date [e.g., terms such as "urgent", "forthwith", or "as soon as possible" are no substitute for designate the due date required by our Guidelines]), a submission will be subject to default processing (20 business days due date is applied to the case; processed **only** in order of receipt [presently, 15-20 business days]).

It is fortunate that the instant matter was observed despite placement of the due date at or near the end of your subject line **contrary** to our specification (i.e., subject line "Urgent Information Request - Response Requested by December 11, 2023") and moved from default processing, resulting in this response. Please make note of this specific requirement for going forward purposes.

Additionally, please note section 4.1.1 of our Guidelines, which directs the submission of a **completed Cover Page Form** as a separate, secondary document along with each submitted Legal Demand. This required form standardizes submissions -- form and content can vary widely across the thousands of law enforcement agencies with whom we interact; key details may be lacking (which delays processing); and items may be requested beyond what should typically be sought from us (as a provider of wholesale services, as discussed herein). The content inputted into our form also facilitates processing by supplying us with usable text (e.g., avoiding the need to retype numbers and email addresses, which reduces risk of typos and oversights). Accordingly, we specify that the form should not only be fully completed, but also never handwritten, scanned, or combined (never consolidate our form into a file with any other documents). Our form can be downloaded from our website page <https://www.sinch.com/legal/law-enforcement-support/>. The instant Legal Demand was processed despite submission contrary to our Guidelines concerning the cover page form (i.e., no form submitted); however, future submissions contrary to our Guidelines are **subject to delayed processing or rejection altogether**.

As your agency will recall, Inteliquent/Sinch Voice generally does not have end user subscribers. Rather, our customers are typically other service providers (wireline, wireless, VOIP, etc.) to whom we provide wholesale communications interconnection services, delivering traffic between the networks of such providers involving telephone numbers that were either: (a) allocated to our company and released to such a service provider customer, or else (b) owned by a service provider customer who has ported the number to Inteliquent/Sinch Voice.

In either case, the telephone number belongs to another service provider, who has the end user subscriber(s) utilizing the number and who will have records for all calls relating to the number (we will have no relationship with or information about the end user subscribers of our wholesale customers). Comparatively, our records will be incomplete (our services are not exclusive; rather, we will only have carried traffic that our wholesale customer wanted delivered by us) and will be redundant to

the extent they exist (our customer will have counterpart records for calls crossing our network, as well as records for all other calls involving the target number and which did not cross our network). As the party who is actually providing **retail services to their end user subscriber**, our service provider customer will also be in possession of various items (e.g., billing/payment records, end user equipment information, message content, identification of related telephone numbers) commonly sought by requesting agencies, and which will never be reflected in our records.

Our records identify the following customer for telephone number(s) 4257582022 and 4252093355:

SignalWire, Inc.
228 Hamilton Avenue, 3rd Floor
Palo Alto, CA 94301
Phone: 650-382-0000
Email: legal@signalwire.com

In closing, please consider registering for our Law Enforcement Portal. Our Portal eliminates the need to submit **most legal demands** to our company. The Portal will provide customer identifying information about target phone numbers on an immediate, on-screen basis and without the need for serving legal process to us. Accordingly, since this customer's numbers are in our Portal, you could have obtained the wholesale customer's identity simply by being a registered user.

Our Portal allows credentialed users to query this online resource for numbers identified by your agency as being in-service with us. It is populated with numbers for which we have the proactive consent of our wholesale customers for CPNI purposes for the disclosure of their information (note: we generally **only** provide wholesale communications interconnection services on a non-exclusive basis to other service providers; while our customers are other service providers, CPNI requirements still apply). Where a number returns a positive result in our Portal (i.e., in-service for customer who has proactively consented), you receive **immediate on-screen** customer identifying information (no legal demand needs to be submitted to us). Where a non-result occurs for a queried number (e.g., no customer proactive consent for CPNI purposes; number not in-service on query date), your agency will need to submit a legal demand to us consistent with sec. 4.1 of our Guidelines.

Our Portal can be accessed **only** by registered law enforcement and government agency officers, agents, and support personnel who would otherwise issue, serve, and/or receive returns for Legal Demands involving our company. All necessary information about our Portal is posted on our website at <https://www.sinch.com/legal/lea-portal/>. Sections of this page explain "Who Can Apply for Access?" and "How to Apply for Portal Access". Posted at the end of the latter (within the blue highlighted box enclosing the section) is our current application form and user guide, as well as specific instructions for submission to our separate dedicated address LEAportal@Sinch.com (contrary submissions are subject to delayed processing or rejection). Processing time is approximately **7-10 business days** from submission. Please do not inquire about status until after this interval, including where you submitted a legal demand to LEArequests@Sinch.com or you are about to do so (we cannot expedite and will not reply to such requests).

Please let me know if you have any questions. Kind regards.

Hi Tabitha,

I am the Compliance Specialist at SignalWire, Inc. SignalWire is not an advertiser itself. Rather, it resells telecommunications products to businesses who have their own customers / end users. Therefore, SignalWire does not possess such a granular record of its customers' customers' usage.

However, I would be able to provide the purchaser's name and information (1), method of payment (2), and the date(s) of activity (5) connected to those two phone numbers. You may have to contact who I can identify as the purchaser in order to determine the quantity of items (3) and total cost of advertising or electioneering communication (5) involved.

Would you like me to provide the information I possess, or would you rather contact our downstream customer(s) who used the two phone numbers?

Thank you,

Jon

Brady Batt,

Thank you for your follow up message. I was able to review the report you referenced and have some questions about the content.

The specific expenditure I was looking for was the one listed for \$159.22 on 10/26/2023 to Prompt.io Inc for the text messages. My question about this expenditure is why it is appearing in the "orders placed, debts and obligations" portion of the C-4 report. Please confirm if this was in fact a debt and if it is still outstanding. (See screenshot below.)

Schedule B: In-kind Contributions, Pledges, Orders, Debts and Obligations

1. IN-KIND CONTRIBUTIONS RECEIVED:

No in-kind contributions reported this period

2. PLEDGES RECEIVED BUT NOT YET PAID:

No pledges reported this period

3. ORDERS PLACED, DEBTS AND OBLIGATIONS:

First debt incurred	Recipient/Vendor	Description	Balance owed (as of this reporting period)
10/24/2022	Print NW 9914 32nd Ave S, Lakewood, WA 98499-9265	In-kind postage 64,301 mailers Jesse Young SD26 G2022	\$7,732.91
01/01/2014		Printing	\$79.00
07/29/2020		In-kind flyer design Greg Gilday LD10 Pos. 1 P2020	\$658.72
10/26/2023	Prompt.io Inc. 2815 Eastlake Ave. E. Ste. 135, Seattle, WA 98102-3086	GOTV text messages - Myriam Jurtiz Northshore School Dis. Dir. Pos. 3	\$159.22
10/24/2022	Print NW 9914 32nd Ave S, Lakewood, WA 98499-9265	In-kind postage 64,301 mailers Jesse Young SD26 G2022	\$7,732.91

In addition, a review of the other entries on the same C-4 report plus earlier C-4s, show several items in the "orders placed, debts and obligations" section, some dating back to 2022, 2020 and 2014. These other entries are not the subject of this complaint, however, I believe they may need correction. For your information, it is generally uncommon to have unpaid debts owed to vendors for several years.

I would like to put one of Filer Assistance team members in touch with whomever is doing the review of the party's activities. You mentioned a compliance team but did not provide a point of contact. Please let me know who on your compliance team would be the best person for us to work with.

Hi,

Yes, the payment to prompt is still debt since they have not cashed the check yet.

The other reported debts are standard for FEC side, and we just carry it over to the PDC side.

Our compliance team contact would be Ashley.carter@aristotle.com.

Brady Batt,

I appreciate your continued cooperation. I appreciate your answer to my request regarding the "other" text messages sent in 2023.

As mentioned previously, when I spoke to Ashley Carter from Aristotle, I asked if she would amend the C-4 report disclosing the October 26, 2023, text message expenditure one more time to add the number of text messages. She indicated that she needed to obtain this number from you in order to amend the reports. I do not see the requested amendment yet. I appreciate a follow up on this as well.

I hope you will send a response to me by Friday, April 26, 2024.

While conducting an investigation into a separate matter, another matter came to our attention. On the C-4 report (confirmation number 110196754) disclosing activity for December 1 to 31, 2023, a \$100,000 monetary contribution was reported from the exempt account to Let's Go Washington. I request confirmation that this contribution was made from the exempt account.

Thank you for your prompt attention. A response by Friday, May 31, 2024, is appreciated.

Hi Jennifer,

1. The texting information was provided to Aristotle to make the updated report and it should be filed soon.

2. I can confirm that the contribution came from the State Party's exempt account. It has been a well-established practice of the State Party to write cash contributions out of the exempt account to non-candidate Political Committees/PACs. In previous elections, the State Party has not received any violations or correcting guidance from the PDC to suggest that the practice is non-compliant. If the PDC is now suggesting that the expenditure in question is non-compliant,

the State Party would appreciate clarification and updated guidance from the PDC to help make sure future expenditures of this nature are compliant.

Thank you!

Mr. Frohlich,

Thank you for the bank statements you provided on Sunday, October 6, 2024. Please provide the records requested by tomorrow, Thursday, October 10, 2024.

In addition, the C-3 report submitted on September 23, 2024, disclosing \$106,500 in anonymous contributions has not yet been amended to itemize the source of the contributions. **I request that you amend the C-3 report by Friday, October 11, 2024.**
