Thank you for the notification about the lapse in final reporting of my campaign funds. Working with my treasurer during the campaign we have filed the final reports and closed out the campaign account.

I was only a candidate in the 2023 primary, and prior to the primary election all of my campaign filings were accurate and on time. After taking 3rd in the primary I had a move, settled into a new role at work and time got away from me. Due to this notification, I have now been able to prioritize and complete the necessary reporting processes. I deeply apologize for the length since the end of the election to the time of this submission.

As of January 31, 2024, the bank account associated with the campaign was closed. There is no surplus at the close.

If there are any questions or if any additional information is needed, please feel free to contact me at [estebanhereviajr@gmail.com](mailto:estebanhereviajr@gmail.com) or call me at 509-413-9375.

Please also find a pdf of my response attached.

Respectfully,  
Esteban Herevia

Thank you. I just got off the phone with Diana. We went through and amended the C-4s to reflect the changes made. We are also able to bring the balance down.

Again, thank you for your help and the support from the team.
