Sent electronically to Mark Lamb, legal counsel for Washington Association of Nurse Anesthetists

Subject: Complaint filed against Washington Association of Nurse Anesthetists, PDC Case 153899

Mark Lamb,

After conducting a preliminary review and assessment of the complaint filed on March 23, 2024, by Amy Brackenbury against your client, Washington Association of Nurse Anesthetists (WANA), PDC staff held an Initial Hearing (Case Status Review) on July 3, 2024, pursuant to RCW 42.17A.755, and WACs 390-37-060 and 390-37-071. Based on that, PDC staff has opened a formal investigation into this matter.

At the hearing it was noted that the Case Status Review is not an adjudicative proceeding and that RCW 42.17A.755 provides PDC staff with additional tools to resolve complaints alleging non-compliance. Those tools include resolving alleged violations through a statement of understanding, or through alternate means in lieu of enforcement such as a warning letter, technical correction, remediable violation, or a dismissal. I am encouraging you to continue to work with PDC staff on resolving this matter.

Thank you for participating at the Initial Hearing this morning. If you have questions, please contact Kurt Young, PDC Compliance Officer, by replying to the latest staff email concerning this matter.

Sincerely

s/
