Hi Tanya - quick update. I was finally able to request copies of deposits made to the BECU account between May and October. I should receive them in 3-5 business days. I was also able to get most of the invoices from various vendors as well. The entire filing from 2024 needs to be amended as there are several issues with the filings and I am going to start amending today. For the months/reporting periods where I am missing details of deposits (specifically the 7-day and 21-day pre-primary reports), I am going to put placeholders in there to file the C4 and go back and amend the C3s once I receive the copies of the details from the bank. I am still not a signer on the account so that's why this has taken so long.
