Tanya Mercier, I hope all is well.

Thank you for bringing the complaint to our attention.

**PDC Case Number 155818:** We could appreciate how inundated with details could be naturally invigorating for a meticulous spectator on the outside casting around for anomalies. In reality, our campaign values transparency, honesty, and integrity above all else. We paid a filing fee of \$1982.57, and if there had been anomalies in our reporting, they would have been promptly addressed, amended, and filed with the Public Disclosure Commission (PDC). On the other hand, we wish to extend our appreciation with a finger-clap to Mr. Edwards' continuous fervor for our activities, which may sometimes seem excessively critical; it provides us unchanging opportunities to reassert our commitment to following PDC guidelines while providing transparency and accuracy to the public. The PDC staff has provided excellent training and shared knowledge and tools supporting our measures. Good-day!

Best regards,

Ricky Anthony -
