Complaint Description
<p>Robert Parker reported via the portal 3 days ago (Tue, 25 Jun 2024 at 3:17 PM)</p> <p>Candidate Bird continues to be a habitual offender of the campaign finance laws and even after a long list of warnings and a recent fine for the same violations he persists in flipping his nose at the PDC and laws concerning campaigns in Washington State. Candidate Bird continues to wear and distribute campaign materials in his partisan election for Governor that does not properly identify his party affiliation.</p>
What impact does the alleged violation(s) have on the public?
<p>Candidate Bird seems to be hiding his party affiliation and continues to break the laws of our state when representing himself to voters. Voters have a right to know that candidate Bird is a prolific law breaker as he is hopeful of being the head of our state and take an oath to support and defend the laws of Washington State, all of them.</p>

The Newport Rodeo is a Pend Oreille County tradition.

Too many of our American traditions are disappearing to make way for progressive agendas that do not reflect our values.

I will show up when needed to protect our national heritage and the future of our children.

Love it. We went to the Colorama Rodeo in May.
