A safe, healthy Burien for all.

- ✓ **BUILDING A SAFER BURIEN** Pedro will make sure that officers on the streets have the resources they need to keep us safe. He will prioritize investments in vital services like parks and playfields, sidewalks and safety, to ensure that Burien is a healthy place for all of us.
- ✓ **ADDRESSING HOMELESSNESS** Pedro will build regional partnerships to address our homeless crisis in a way that mitigates the impact on existing residents and swiftly transitions people into permanent housing.
- ✓ **TACKLING AIRPORT EXPANSION** Sea-Tac ranks as the 9th busiest airport in the nation. Pedro will provide the strong leadership Burien needs to ensure that our concerns over air and noise pollution are not ignored by the Port of Seattle.
