What impact does the alleged violation(s) have on the public?
We Heart Seattle Exposed is an anonymous website that was started well before Andrea Suarez filed to run for position #2, in the 43rd District in May of 2024. After Ms. Suarez filed for office information was added to this website promoting Shaun Scott's candidacy. https://weheartseattle.exposed/ Urged readers to take action against Ms. Suarez's candidacy. The website states, "Three simple things you can do right now to prevent Andrea Suarez from becoming a Washington state lawmaker." There is a button that says. "Take me to them" that directs readers to the following website" https://weheartseattle.exposed/3-things-you-can-do-right-now-to-prevent-andrea-suarez-from-becoming-a-washington-state-lawmaker/. The first option urges readers to donate to Shaun Scott's campaign and provides a link to the donation page on Mr. Scott's official campaign website https://secure.actblue.com/donate/betterwashington Finally, I believe that such websites are a serious problem because without quick enforcement, such websites could proliferate in future campaigns.
