Dear Compliance Officer:

In reference to PDC Case Number **162658**, I reviewed the complaint and my campaign's PDC filings and discovered that the complainant was correct - my expenditure for ads in the Wenatchee World was not correctly reported. This was an inadvertent mistake. I entered the data for that expenditure into myPDC some time ago, but did not notice that it fell within a period for which a C4 report had already been filed and consequently neglected to file an amended C4. Today, I filed amended reports for that period and others. My reporting is now accurate and up-to-date.

I want to thank the complainant and the PDC for bringing this to my attention, and apologize to anyone who was confused, or feels they were misled, by this reporting error.

Sincerely,

Jay Eyestone
