| <b>What impact does the alleged violation(s) have on the public?</b>   |
| <p>One of the primary purposes of the public disclosure law is to provide citizens of this state, and especially voters, with the means for becoming informed about the financing of political campaigns. The public disclosure law was enacted through voter approval of Initiative 276 in 1972.</p> <p>State law requires candidates and committees that register under full reporting to submit regular reports of financial activity. Those reports are filed on schedules outlined on the PDC's key reporting dates calendar.</p>   |
