## **Notice to Respondent**

I apologize to you for any inconvenience caused by this complaint. No treasurer/committee is perfect. The chance that you will actually be fined for the violations identified above is extremely small because the agency is averse to doing the work necessary to bring cases to hearings. Most likely this case – and any future cases against you – will simply be dismissed by staff.

This complaint is one of several thousand complaints that I have filed to highlight and ultimately fix the significant shortcomings associated with the agency responsible for administering our state's campaign finance laws.

What are these shortcomings?

Overcomplicated and outdated requirements that are difficult to understand and comply with. Failure to properly educate the regulated community about the tasks they must perform to remain in compliance with applicable requirements and avoid complaints. Failure of the agency to send regular reminders to filers about pending deadlines. A failure to proactively enforce applicable requirements which enables the complaint system to become weaponized. Non-intuitive, non-user friendly, and buggy reporting software. Failure to meaningfully enforce core requirements. Failure to follow the best operating practices of other neighboring campaign finance agencies. An agency leadership structure that largely disregards stakeholder input and is slow to identify and resolve major agency deficiencies.

I believe that the best way to motivate the agency to address these problems is by filing a large number of complaints so that the agency's problems become impossible to ignore.

Slowly (too slowly) this strategy is starting to yield concrete and beneficial changes. You can read about these changes here: <https://www.seattletimes.com/seattle-news/politics/why-one-man-filed-800-campaign-finance-complaints-against-wa-candidates/>

If you believe that the agency could have done something different to help you proactively avoid the issues identified in this complaint, I hope that you will consider including it in your response. The agency, and the public, can benefit from your perspective and feedback.

If you are aware of a PDC violation but do not wish to file the complaint under your own name, please send the information to me at [CG.Edwards53@gmail.com](mailto:CG.Edwards53@gmail.com). If you would like to provide this information anonymously, please send me a postcard or letter to PO Box 12082, Seattle, WA 98102. Envelopes containing items other than paper will not be opened.

Hello Mr. Kirkpatrick:

Per WAC 390-16-043, I would like to arrange a time to inspect the books of account for the political committee Thurston County Democrats (WA) (TCD). Please let me know if you are not the correct point of contact for this request.

You can read more about this process here: <https://www.pdc.wa.gov/rules-enforcement/guidelines-restrictions/public-inspection-campaign-records>

I am requesting to view the books on Wednesday October 29, 2025 at 11:30AM at the Olympia Timberland Library at 313 8th Ave SE, Olympia, WA 98501. Let me know if there is an alternative time or location that works better for you.
