To Whom it May Concern --

It has come to my attention that Krystal Marx during her campaign for the Burien City Council has habitually and willfully committed frequent and multiple violations of **RCW 42.17A**.

### **1) Failure to file accurate, timely C3 and C4 reports. (Violation of RCW 42.17A.235)**

State law requires that candidates and committees file frequent, accurate reports of contributions, expenditures, in-kind contributions, and debt.

Unfortunately, Krystal Marx failed to file an accurate timely C4 covering the month of April. The report was due on May 10th, however the accurate report (**PDC Report#100767475**) was not filed until June 10th. This was **31 days late - well past the statutory deadline and in clear violation of the law**.

### **2) Failure to include accurate sponsor ID. (Violation of RCW 42.17A.320)**

State law requires that written political advertisement carry a sponsor statement and address of the committee. Unfortunately, on her website, Marx has failed to do this.

Additionally, Marx has failed to include a sponsor statement on her official campaign's Facebook page, a separate and additional violation of state law.

Please feel free to contact me if you want additional information.

Glen Morgan
