As requested, the Committee amended the 1/1/2025 to 6/30/2025 C-4 report to publicly disclose the address of the vendor providing legal services. The address was previously included in the Memo section of the online form. The legal services were in connection with representation of AARP No on I 2124 Sponsored by AARP Washington State in enforcement before the Public Disclosure Commission and were not provided in connection with the 2024 election.
