Hello Tanya,

I had filed the report that Connor was complaining about because we had decided that we were done spending money. Therefore, we filed the report.

Isn't the intent of the C-4 to report any spending? We had not spent any more money on the campaign, since that report was filed.

As far as the signs, I had responded to the complaint about the signs. At no time had I ever been told that our signs were out of compliance, after multiple conversations with Phil Stutzman. We did not have a "sponsor" on the signs because there was no sponsor to list. I paid for all of the signs myself. The PDC website also stated that it's illegal to make up a sponsor name. So, that is confusing to me. If I paid for them myself, there's nobody to list but myself.

I did not make it through the Primary anyway, so we have literally removed all of our signs from Tacoma, already.

Since the beginning of this campaign, we have always strived to do the right thing and to follow the rules as best as humanly possible. There always seems to be someone who is eager to make problems for our campaign. Maybe that's politics and should be expected, but that does not make it right. I know that you are only trying to do your job and I commend you for that. I may just be venting. ;)

Please, let me know if there is anything that you need me to do with that C-4 Report. We have ceased all spending and are ready to close out this campaign (after August 19th of course) and move forward with life.

Best Regards,

Steve Haverly
